BMS

INSTITUTE OF TECHNOLOGY AND MANAGEMENT

Dharmaprakasha Rajakarya Prasakta
LATE SRI. B. M. SREENIVASIAH
Founder
BMS College of Engineering

LATE SRI. B. S. NARAYAN
Founder
BMS Educational Trust

Vision

To emerge as one of the finest technical institutions of higher learning, to develop engineering professionals who are technically competent, ethical and environment friendly for betterment of the society.

Mission

Accomplish stimulating learning environment through high quality academic instruction, innovation and industry-institute interface.

BMS

INSTITUTE OF TECHNOLOGY AND MANAGEMENT

Avalahalli, Doddaballapur Main Road, Bengaluru – 560119

Faculty as Resource Person

- Dr. Srinidhi N. N., Associate Professor, CSE Division 5, served as a Session Chair at the 3rd International Conference on Data Science and Exploration in Artificial Intelligence (CODE AI-2026), organized by the School of Computer Engineering, Manipal Institute of Technology, Bengaluru, in collaboration with the Society of Systematic Innovation, National Tsing Hua University, Taiwan, held from 17–19 July 2026.
- Dr. Shobha M, Professor, CSE Division2, served as a Session Chair at the 4th IEEE International Conference on Women in Innovation, Technology and Entrepreneurship (ICWITE 2026), held at B.M.S. College of Engineering, Bengaluru, on 24–25 July 2026.
- Dr. Vinod B R, Assistant Professor, Department of Civil Engineering has extended his support as a resource person on “NBA tier 1 Self Assessment Report ” on 04.07.2026 at Department of Civil Engineering, Dr. Ambedkar Institute of Technology, Bengaluru, Karnataka.
- Shimna Manoharan, Assistant Professor, Department of Civil Engineering, BMSITM, delivered an insightful session on “AI and the Future of Civil Engineering – What Companies Expect from B.Tech Graduates,” organized by the Civil Forum of the ISTE GECT Students’ Chapter on 11.07.2026, providing students with practical knowledge, career guidance, industry expectations and real-world perspectives on the evolving role of AI in civil engineering.
- Shimna Manoharan and Archana K, Assistant Professor, Department of Civil Engineering, served as a resource person for the FDP on “AI Applications in Civil Engineering,” organized by the Department of Civil Engineering, Nitte Meenakshi Institute of Technology (Nitte Deemed to be University), and delivered a session on “Model Evaluation: Accuracy, RMSE, MAE, R^2 , Cross-Validation and Hyperparameter Tuning” on 24.07.2026.
- Dr. Marsh M. Bandi, Assistant Professor, Department of Civil Engineering, BMSITM, served as a Session Chair at the 10th International Conference on Sustainable Materials & Practices for Advancements in Civil Engineering (SMPACE-2026), organized by the School of Civil Engineering, REVA University, Bengaluru, held from 31st July and 1st August 2026.

Faculty Awards

- The Department of Electronics and Communication Engineering congratulates Dr. Pavan G. Malghan on the successful defense of his Ph.D. thesis titled "Removal of Artifacts from Electrocardiogram Signal Using Improved Signal Decomposition Methods via Metaheuristic Optimization and Deep Learning Techniques" at VIT, Vellore, on 17.07.2026. His achievement marks a significant contribution to biomedical signal processing research.

- The Department of Electronics and Communication Engineering congratulates Dr. Vivekanand Upadhye on the successful defense of his Ph.D. thesis titled “Development and Test of Edible Electronic Pill System,” under the guidance of Prof. Sanjiv Sambandan at the Flexible Electronics Laboratory, Department of Instrumentation and Applied Physics, IISc, Bengaluru, on 29.07.2026. His achievement reflects a significant contribution to biomedical and flexible electronics research.

- The Department of Mechanical Engineering congratulates Dr. Srinidhi Ramachandra Acharya, Assistant Professor, on successfully completing the AICTE QIP PG Certificate Programme by IIT Indore on "Emerging Trends in Advanced Composite Materials, Modelling, Manufacturing & Testing" (23rd March–14th July 2026), securing an excellent CGPA of 9.40 with 98% attendance.

Reviewer

- Archana K, Assistant Professor, Department of Civil Engineering, BMSITM, served as a Reviewer for the 12th International Conference on Electronics, Computing, and Communication Technologies (IEEE CONNECT 2026) held from 2–5 July 2026 at the IEEE Bangalore Section, Bengaluru.

Out Reach Activity:

- As part of the CRPF visit on 30.07.2026 to our BMSITM campus was an inspiring confluence of innovation, technology and National service. Their keen interest in exploring cutting-edge faculty/student projects in Cyber Security, Artificial Intelligence & Machine Learning (AI & ML), IoT, Robotics, Neuro Science and other advanced technologies reflected a strong commitment towards leveraging technological advancements for societal and national development. The officers enthusiastically interacted with our faculty members and student innovators, appreciating not only the technical excellence of the projects but also the practical solutions they offered to real-world challenges. Their thoughtful questions, curiosity and willingness to understand the underlying concepts created an enriching learning environment for everyone involved.

- The Rotaract Club of BMS Yelahanka successfully conducted AARAMBHA – The 10th Installation Ceremony on 26.07.2026 at the BSN Auditorium, marking the beginning of the Rotary Year 2026–27. Rtr. Deona Braganza was installed as the Club President along with the 29-member Board of Directors. The event was graced by Dr. Sanjay H. A., Principal, BMSITM, Dr. Usha B A, Dean Student Welfare, distinguished Rotary leaders and faculty coordinator of Rotaract BMSITM, concluding with a fellowship session celebrating leadership and service.

- The AICTE IDEA Lab, BMSITM successfully conducted a Six-Day Faculty Development Program (FDP) on “From Idea to Prototype: Innovation, Design Thinking and Product Development” from 6th to 11th July 2026, coordinated by Dr. Kiran M. D., Assistant Professor, Department of Mechanical Engineering. The program provided faculty members and technical staff from AICTE-approved institutions with hands-on training in 3D printing, PCB design, IoT, embedded systems, and rapid prototyping, culminating in the development of working prototypes through mentor-guided collaborative sessions.

Events Conducted

- The Department of Electrical and Electronics Engineering (EEE), BMSITM, successfully conducted its Sixth Board of Studies (BoS) Meeting on 11.07.2026 in the EEE Board Room. The meeting focused on academic planning, curriculum review, and discussions on initiatives to enhance the quality of teaching and learning in the department.

- The Interim Board of Studies (BoS) Meeting–7.1 for the MCA 2026 Scheme with Specializations was conducted in online mode on 23.07.2026. The meeting focused on deliberating and finalizing the academic framework, curriculum, and key provisions for the revised MCA programme with specializations.
- The Civil Engineering Laboratories at BMSITM underwent an evaluation by a three-member NABL expert team on 18–19 July 2026 as part of the laboratory accreditation assessment process.

Seminars / Expert Talks/Partial Delivery Sessions

- The Department of MBA, in association with the IPR Cell, BMSITM, organized a guest lecture on “Intellectual Property Rights (IPR): An Overview of Legal Protection for Innovations” on 08.07.2026 for MBA students. The session was delivered by Mr. M. G. Kodandaram, IRS (Retd.), Advocate & Consultant, who highlighted the importance of Intellectual Property Rights in safeguarding innovation, creativity, and business competitiveness. He provided insights into various forms of IPR, including patents, copyrights, trademarks, industrial designs, and geographical indications, with special emphasis on trademarks and their role in branding. The interactive Q&A session enhanced students' understanding of IPR, entrepreneurship, and innovation. The programme was successfully coordinated by Prof. Manoj Kumar S. and Prof. Sindhu Ramesh.

- The Department of Electronics and Communication Engineering proudly announces that the abstract titled “A Wearable Real-Time Assistive Device Based on Edge AI for Trigger-Based Challenging Behaviours”, authored by Ms. Chinmayee Notakar Satish (1BY25EC044) and Ms. Charishma Bellad (1BY25EC047), first-year ECE students, under the guidance of Dr. Asha G. Hagargund, has been selected for the Grand Finale of IEEE YESIST12 2026. The prestigious finale will be held on 2–3 October 2026, recognizing the team's innovative contribution to Edge AI-enabled assistive technologies.
- Vansh Baranwal (USN: 1BY25CS323), a 2nd Semester CSE-4, Division-2 student, represented Vyuhaa Med Data as a delegate at Ayusmat 2026, organized by IIM Bangalore on 30.07.2026. He engaged with researchers, innovators, and healthcare leaders while showcasing Vyuhaa Spark, an AI-driven digital pathology solution.

- Sagar P. (USN: 1BY24CS244), a 4th Semester CSE Division2 student, participated in Yugma 2.0, organized by JNNCE, Shivamogga, on 25.07.2026. He presented his research on Medical Image Enhancement and was awarded a Certificate of Participation in recognition of his contribution to the event.

- The Department of Electronics and Communication Engineering proudly congratulates Gurudatt (1BY24EC053), Tanmayee (1BY24EC098), Maanya (1BY24EC085) and Sricharan (1BY25EC148) on their appointment to key leadership positions in the IEEE Robotics and Automation Society (RAS), BMSIT, effective 27.07.2026. Gurudatt has been appointed Chair, Tanmayee as Vice-Chair, Maanya as Treasurer, and Sricharan as Secretary. Gurudatt, Tanmayee, and Maanya are 5th-semester students, while Sricharan is a 3rd-semester student. Their appointments recognize their leadership, commitment, and active contributions to the society's technical events, projects, and initiatives.
- The Department of Electronics and Communication Engineering proudly congratulates Srijan U (1BY23EC10), a fourth-year ECE student, on being selected as an IEEE Communications Society (ComSoc) Student Ambassador for the 2026–2027 tenure. In this prestigious role, he will represent the IEEE ComSoc BMSIT Student Branch at the global level, reflecting his leadership, technical excellence, and active involvement in IEEE initiatives.

- Five students from the Departments of Computer Science and Engineering and Information Science and Engineering have been selected for paid internships at SISA, a leading cybersecurity organization. Supriya Gouda (1BY23IS227), Tejashwini S. Uranakar (1BY23IS234), Meghana Kasa (1BY23CS123), Nitesh K. Doddamani (1BY24IS410), and Firdous Umme Hani (1BY23CS063) have secured positions as SRP Interns (Compliance) and VAPT Interns, with a monthly stipend of ₹15,000. This achievement reflects their technical competence and industry readiness in the field of cybersecurity.

Students Workshops/Events Conducted/ Organised

- The Department of Computer Science and Engineering organized a one-day hands-on workshop on "Next-Generation AI with Retrieval-Augmented Generation (RAG)" on 11.07.2026. Coordinated by Dr. Lakshmi B. N. and Dr. Jayashree, the workshop featured sessions by industry experts Mr. Panigrahi Ramakrushna and Mr. Chidananda Panigrahy, offering M.Tech students hands-on exposure to the latest developments in AI, Generative AI, and RAG.

- The Department of MBA, BMSITM, organized a workshop on "Tax Filing, GST Registration, GST Return Filing, and Statutory Compliance" on 24.07.2026 to equip students with practical knowledge of taxation and regulatory compliance. The sessions were conducted by Mr. Rajesh K. S., Commercial Tax Officer (CTO), Policy and Law Wing, who covered GST registration, return filing, input tax credit, and statutory compliance, and CA Gupthalinga, Chartered Accountant, who explained Income Tax filing, tax planning, deductions, and compliance through practical case studies. The interactive workshop enhanced students' understanding of GST, Income Tax, and statutory compliance and was successfully coordinated by Dr. Vinay H. V., Prof. Channakeshava H. C., and Prof. Manoj Kumar S.

Professional/Club Activities

- The Department of MCA organized a technical session on “Cybersecurity – An Industry Perspective” under the course MMCA261 (Cybersecurity) on 11.07.2026 for II Semester MCA students. The session was delivered by distinguished alumni of BMSITM, Department of ETE—Mr. Abhishek S., Director & CISO, Apfahive Inc., Bengaluru (2006–10 Batch), along with Mr. Ganesh and Ms. Nethravathi, Freelance Cybersecurity Engineers (2022–26 Batch). The experts shared valuable industry insights, emerging cybersecurity trends, and practical experiences, enriching students' understanding of real-world cybersecurity challenges and career opportunities.

Alumni Interaction

- The Alumni Cell conducted the 7th Online Alumni Advisory Board Meeting on 01.07.2026 to discuss alumni data management, Silver Jubilee celebrations, strengthening the alumni platform, global collaborations, departmental alumni meet, and preparations for the First Batch Alumni Meet.

- The Department of MCA organized a technical session on “Cybersecurity – An Industry Perspective” on 11.07.2026 for second-semester MCA students. The session was led by Mr. Abhishek S., Director & CISO, Apfahive Inc., Bengaluru, and alumnus (ETE 2006–10 batch), along with Mr. Ganesh and Ms. Nethravathi, freelance cybersecurity engineers. The speakers shared industry insights, real-world case studies, and an innovative cybersecurity product under development. The interactive session was attended by 28 students and received positive feedback.

- The Alumni Cell welcomed six alumni from various departments and graduating batches to the campus during July 2026. Their visits included mentorship sessions, academic interactions, campus visits, and certificate collection, fostering meaningful engagement and strengthening the enduring bond between the alumni community and the institution.

Alumni Achievements in Career:

• Alumni Achievements in Higher Education:

International Journal/ Conference Publication/Book Chapters/Books

International Journal

- Sagargouda Patil, Vidya R. Pai, Vidhya K., Prakash G. L., Gireesh Babu C. N., and Prakash K. Sonwalkar published the research paper titled "XGB-KLD: A Drift-Aware Adaptive Intrusion Detection Framework for Dynamic Network Environments" in the International Journal of Computer Information Systems and Industrial Management Applications, Vol. 18 (2s), 2026, pp. 1051–1071. The paper is indexed in Scopus (Q3) and is available at: <https://doi.org/10.70917/ijcisim-2026-2188>
- G. S. Chethan, N. S. Patil, Prakash GL, M. S. Muneshwara, “Adaptive Graph-Based Intrusion Detection for Internet of Medical Thing Networks”, in the Engineering Technology & Applied Science Research, Vol. 16, No. 3, 2026, 36934-36941, (SCOPUS Q2).
- D, Subash T, R. Ganesh Babu, Pradeep K R, T. D. Subha, and Gao Yun, “Deep Learning-Based Phase Noise Mitigation in FMCW LiDAR Sensors for Precise Distance Measurement During Sweeping”, in IETE Journal of Research, 2026, June, 1–11. <https://doi.org/10.1080/03772063.2026.2683557>.
- Urabinahatti, Sachin A., M. Niranjana Murthy, Abhishek Kadalagere Lingaraju, Nandini Narayanapura Swamy, and Lavanya. “Eel and Grouper Lyrebird Optimizer Based Fractal Deep Spiking Residual Network for Breast Cancer Detection Using Mammogram Images.” In Scientific Reports. <https://doi.org/10.1038/s41598-026-58156-z>.
- R. Kumar, A. Priyadarshi, Dr. M. Shoba, et al. have published their research paper titled "Smart Hardware-Integrated Deep Learning Framework for Real-Time Pothole Detection in Vehicles" in Scientific Reports (Nature Portfolio 2026), <https://doi.org/10.1038/s41598-026-62226-7>.
- Palati Madhu, Manjunatha Babu Pattabhi, and Ozwin Dominic Dsouza, "Design and analysis of peaking capacitor for generation of high voltage fast risetime pulses." Bulletin of Electrical Engineering and Informatics 15, no. 3 (2026): 1911-1920, e-ISSN:2302-9285, DOI: <https://doi.org/10.11591/eei.v15i3.10297>.
- Dr. Jyothi E. Singh has published a research paper titled “Impact of Grey Market Premium on Listing Price of IPO” in the International Journal of Computer Information Systems and Industrial Management Applications, Vol. 18, No. 2, 2026, pp. 848–853, DOI: 10.70917/ijcisim-2026-2135 (Scopus Indexed).
- Dr. Jyothi E. Singh has published a research paper titled “Comparative Performance of ESG and Non-ESG Mutual Funds in India: An Investment Driver for Sustainability” in the International Journal of

Computer Information Systems and Industrial Management Applications, Vol. 18, No. 2, 2026, pp. 840–847, DOI: 10.70917/ijcisim-2026-2134 (Scopus Indexed).

- Dr. Sheshagiri Babu Jimmidi, Rakshith N., Swetha M. S., Swapna Siddamsetti, K. V. Balaramakrishna, and Rayapati Venkata Sudhakar have published the paper “Adaptive Pulse-Controlled Learning in Differential 1T1R Memristor Crossbar for Neuromorphic Computing” in International Journal of Computer Information Systems and Industrial Management Applications, Vol. 18(1s), 2026. DOI: 10.70917/ijcisim-2026-1971, (Scopus Indexed).
- Vinod B. R. et al. published a research article titled “Mechanical, Tribological and Fractography Analysis of Structural Grade Al7075/n-TiC Composites and Optimization of Wire EDM Parameters through Taguchi Method” in the journal Fracture and Structural Integrity, Volume 77 (2026), Pages 421–436. DOI: 10.3221/IGF-ESIS.77.24.
- Dr. Rajesh Gopinath, Professor, Department of Civil Engineering, BMSITM, published a research article titled “Checklist of the Genus Euthalia (Lepidoptera: Nymphalidae) from Namdapha National Park and Tiger Reserve with the Discovery of a Rare Butterfly Euthalia malaccana” in the Asian Journal of Conservation Biology, 15(1), 2026, 134–146. DOI: 10.53562/ajcb.87526.

International Conference

- K, Nupreeth Mandappa, V, Aditya Raj, Mayur, Maxson Mathew, and Pradeep K R. 2026. “Sanket: An Audio-Visual Bidirectional Translator for Indian Sign Language.” 2nd International Conference on Intelligent Systems and Computational Networks (ICISCN), Bidar, India, 2026, April, 1–5. <https://doi.org/10.1109/iciscn67954.2026.11566251>.

- Prof. Udayaprasad P K, Sumanth V, Malathi S Y, Naveen Kumar C M, Arpitha T, and Naidila Sadashiv, "Revolutionizing UAVs: Tiny Machine Learning for Real-Time Decision Making" presented at the International Conference on Machine Learning and Data Engineering and published in Elsevier's Procedia Computer Science (Volume 283, 2026, pp. 5100–5109).
- Muneshwara M S “From Chalkboards to Chabot : A study on Teachers Readiness & Resistance towards AI Driven Education Tool” IEEE International Conference On Innovate for Humanitarian: Tech Solutions for Global Challenge(ICIH 2025), ISBN Information: Electronic ISBN:979-8-3315-5644-0, Print on Demand(PoD) ISBN:979-8-3315-5645-7,DOI: 10.1109/ICIH67754.2025.11608817.
- Dr. Shivakumara T., M. S. Muneshwara, Y. Venkata Reddy, H. S. Poornima Gowda, Samhit Prakash Nayak, and Swetha M. S. published the paper “PharmaChain: Machine Learning Meets Blockchain to Combat Fake Medicines” in the 2025 IEEE 7th International Conference on Cybernetics, Cognition and Machine Learning Applications (ICCCMLA), DOI: 10.1109/ICCCMLA66092.2025.11581016, (Scopus Indexed).
- Ms. Malini M. and Dr. Hemanth K. S. have published their research paper titled “Addressing Kannada OCR Complexities: A Blended Approach with Script Aware Segmentation and Deep Learning

Recognition” in the International Conference on Machine Learning and Data Engineering (ICMLDE-2025), DOI: 10.1016/j.procs.2026.06.128, (Scopus Indexed).

- Swetha M. S., Santosh Chidambar Deshpande, M. S. Muneshwara, Rakshith Gowda Danti, H. S. Poornima, and T. Shivakumara have published the paper “SmartEye: A YOLOv8-Based Surveillance Framework for Crime Detection and Offender Tracking” in the 2025 IEEE 7th International Conference on Cybernetics, Cognition and Machine Learning Applications (ICCCMLA), DOI: 10.1109/ICCCMLA66092.2025.11581044, (Scopus Indexed).
- Manisha Rangu, Sudharsan N., Aruna G., and Praburanganathan S. published a research paper titled “Unveiling the Potential of Recron Fiber-Reinforced High-Performance Concrete: A Study on Auracast102 and Partial Cement Replacement with Diverse Mineral Admixtures” in the AIP Conference Proceedings (2026), DOI: 10.1063/5.0348472.
- Manoj Kumar J., Sudharsan N., Aruna G., and Praburanganathan S. published a research paper titled “Heat Shock Resilience of Geopolymer Concrete: Integrating Industrial Wastes for Sustainable Eco-Friendly Construction” in the AIP Conference Proceedings (2026), DOI: 10.1063/5.0348475.
- Dr. Vinod B. R., Assistant Professor, Department of Civil Engineering, BMSITM, along with UG student Lalith Kumar G, presented a paper titled “Significance of Subsoil Profile Modeling for Sheet Pile Quay Wall Design” at the International Conference on Technologies for Geotechnical Solutions (TGS 2026) held at IISc Bengaluru on 17–18 July 2026.
- Ekbote, A. G., and Nainegali, L. (2026) presented a paper titled “Numerical Investigation of Impedance Characteristics of Adjacent Strip Footings on Dense Sand under Cyclic Loading Using the HSsmall Model” at the International Conference on Tenets for Geosystem Surety (TGS 2026): Sustainable Infrastructure Through Hazard Analysis, Resilience and Management, held on 17–18 July 2026, Bengaluru, India.
- Shimna Manoharan and Anbazhagan P. (2026) presented a research paper titled “Evolution of Seismic Zonation and Design Response Spectra in IS 1893: A Critical Review” at the International Conference on Tenets for Geosystem Surety (TGS 2026): Sustainable Infrastructure Through Hazard Analysis, Resilience and Management, held on 17–18 July 2026, Bengaluru, India.

Patents published/Granted

- The Department of MCA proudly congratulates Dr. Shivakumara T. and his team on being granted two Design Patents in July 2026. The patents, titled “Modular AI Drone Rover” (granted on 03.07.2026) and “AI-Powered Ancient Palm Leaf Scanner” (granted on 17.07.2026), recognize their innovative contributions to AI-enabled technologies and reinforce the department's commitment to research, innovation, and intellectual property creation.

NCC Activities/ Sports Activities

NCC Activities

1. Pre-Inter Group Competition-I-28.06.2026

Cadets from BMSITM participated in the Pre-Inter Group Competition organized by 7 Karnataka Battalion NCC at the Brindavan Group of Institutions from 28th June to 7th July 2026. The team competed in Map Reading, Judging Distance & Field Signals, Firing, Obstacle Training, and Health & Hygiene, showcasing their discipline, teamwork, and competitive spirit.

Students Participated are: Dheeraj R. K. (1BY24ME015), Sinchana Hebbar K. M. (1TD24CS275), Harsimran Kaur D. (1TD25CS121), Likitha L. (1BY25AI121), Monalisa K. (1TD25CS170), Jitendra Yadav (1BY25CB021), Kshithish Raj Dwivedi (1BY25CB027), Lingala Vaista Akilesh Reddy (1BY25CS165), Amulya T. R. (1TE25CS027), Pranay Baswaraj Jawale (1BY25EE033)

2. Ek Bharat Shreshtha Bharat-04.07.2026

Cadet Pranjal Thakur (1TE24CS220) of BMSITM participated in the Ek Bharat Shreshtha Bharat (EBSB-I) Camp held at Hassan from 4th to 15th July 2026. The camp was organized by the 15 Karnataka NCC, providing cadets with an opportunity to promote national integration, cultural exchange, and leadership development.

3. Pre-Inter Group Competition-II-08.07.2026

NCC cadets from BMSITM participated in the Pre-Inter Group Competition-II Camp organized by the 7 Karnataka Battalion NCC at SJBIT College, Bengaluru, from 8th to 17th July 2026. The cadets competed in events including Map Reading (6 cadets), Judging Distance & Field Signals (1 cadet), Firing (1 cadet), and Obstacle Training (1 cadet), demonstrating their discipline, teamwork, and competitive spirit.

Students participated are: Dheeraj R. K. (1BY24ME015), Pranay Baswaraj Jawale (1BY25EE033), Harshman Kaur D. (1BD25CS121), Likitha L. (1BY25AI121), Monalisa K. (1TD25CS170), Jitendra Yadav (1BY25CB021), Kshithish Raj Dwivedi (1BY25CB027), Lingala Vaista Akhilesh Reddy (1BY25CS165), Amulya T. R. (1TE25CS027).

4. Inter Group Competition-17.07.2026

NCC cadets from BMSITM participated in the Inter Group Competition Camp organized by the Karnataka and Goa Directorate NCC at Ballari from 17th to 26th July 2026. The contingent comprised five cadets in Map Reading, one cadet in Firing, and one cadet in Obstacle Training, showcasing their discipline, teamwork, and competitive spirit while representing the institution at the inter-group level.

Students Participated are: Dheeraj R. K. (1BY24ME015), Pranay Baswaraj Jawale (1BY25EE033), Lingala Vaista Akilesh Reddy (1BY25CS165), Likitha L. (1BY25AI121), Monalisa K. (1TD25CS170), Jitendra Yadav (1BY25CB021), Kshithish Raj Dwivedi (1BY25CB027).

5. Army Attachment Camp-20.07.2026

Two cadets from BMSITM participated in the Army Attachment Camp conducted at 52 Regiment, Secunderabad, from 20.07.2026 to 29.07.2026, organized by 7 KAR BN NCC, Bengaluru. The participants were Aatif Mohideen (1BY24ME003) from Mechanical Engineering and Bhargava Krishna G (1BY24AI026) from Artificial Intelligence & Machine Learning, who gained valuable exposure to military training, discipline, and leadership activities during the camp.

6. Pre-Thal Sainik Camp– 27.07.2026

Four cadets from BMSITM participated in the Pre-Thal Sainik Camp conducted at Vijayapura from 27.07.2026 to 05.08.2026, organized by the Karnataka and Goa Directorate, NCC. The cadets participated in map reading and obstacle training activities during the camp. The participants were Dheeraj R K (1BY24ME015), ME; Monalisa K (1TD25CS170), CSE; Kshithish Raj Dwivedi (1BY25CB027), CSBS; and Lingala Vaista Akilesh Reddy (1BY25CS165), CSE. The camp enhanced their skills in discipline, teamwork, and NCC training activities

Placement Activities

BMSITM Records Strong Placement Performance

The 2027 Batch Final Placement Season, which commenced on 01.05.2026, has recorded 85 placement and internship offers as of 31.07.2026. The 2026 Batch also achieved notable placement success, with 57 students placed through 20 recruiting companies, including 6 new companies and 1 start-up. The highest CTC offered was ₹14 lakhs, with 17 offers exceeding ₹8 lakhs per annum.
