## INSTITUTE OF TECHNOLOGY AND MANAGEMENT

### Vision

To emerge as one of the finest technical institutions of higher learning, to develop engineering professionals who are technically competent, ethical and environment friendly for betterment of the society.

### Mission

Accomplish stimulating learning environment through high quality academic instruction, innovation and industry-institute interface.

## Faculty Achievements

### Session Chair

- Dr. Bharathi Malakreddy A., Professor and Head, Department of AI&ML, has chaired the session for the conference in Oct 2022.
- Dr. Mallikarjuna Gowda C. P., Associate Professor and Head, Department of ETE as session chair IEEE Mysore Con 2022 - 2nd edition of the flagship International conference, JSS Science and Technology University, Mysuru, on 17.10.2022.

### BOS/BOE

- Dr. Swetha M. S., Assistant professor, Dept of ISE, Attended BOS meeting for the formulation of III and IV semester syllabus of BCA(IoT) on 19-OCT-2022, The National College, Jayanagar, Bengaluru-70.
- Dr. Aparna K., Associate Professor, Department of MCA attended the BoE meeting at the Department of MCA, BMSCE, on 07.10.2022 to scrutinize the SEE Question papers.

### Faculty as Resource Person

- Dr. Bharathi Malakreddy A., Professor and HoD, Department of AI&ML, has delivered a talk on Data Science and Demonstration of Mathematical Application Modelling, FDP on Mathematical Foundation in Data Science" on 18.10.2022.
- Dr. Vishwa Kiran S., Associate Professor, Department of AI&ML, was the resource person for Volvo India Pvt Ltd from 17.10.2022 to 21.10.2022 on Embedded C.
- Dr. Usha B. A., Associate Professor, Dept of CSE has delivered the Talk on "IoT Security: Trends, Problems and Challenges" for the students of St Joseph's Institute of Technology, OMR Chennai on 14.10.2022.
- Dr. Saneesh C. T, Associate Professor, Department of ECE gave a talk on "Vector Spaces and Dimensions of four subspaces" on 18.10.22 as a resource person for the FDP on "Fundamentals and

Applications of Basic Signal Processing" conducted by the department of ECE, SJCIT, Chikkaballapur.

- Dr. Swetha M. S., Assistant professor, Dept. of Information Science and Engineering was the resource person for the FDP on "Mathematical Foundations for Data Science" organized from 18.10.2022 to 22.10.2022 at BMSIT&M.
- Prof. M.Sridevi, Assistant Professor, Department of MCA delivered a session on Data Visualization on 19.10.2022 during the 5-days FDP on "Mathematical Foundations for Data Science" organized by the Department of Mathematics, BMSIT&M, Bengaluru from 18.10.2022 to 22.10.2022.
- Dr. Aparna K, Associate Professor, Department of MCA was invited as an alumna at the Department of MCA, BMSCE, on 22.10.2022, to review and give inputs to the revised MCA Autonomous syllabus for the academic year 2022-23.
- Prof. Praveen Kumar TN, Associate Professor, Department of Mechanical Engineering as a resource person to deliver an expert talk on Intellectual property rights and innovations/patents in Engineering on 21st October 2022 at R L Jalappa Institute of Technology, Doddaballapur, 561203, Bengaluru Rural Dist.
- Prof. Praveen Kumar TN, Associate Professor, Department of Mechanical Engineering delivered an invited talk on IPR: Patents, Copy Rights, Industrial Design on 20th October in five days' faculty development programme on Mathematical Foundations for Data Science organized by the Department of Mathematics, BMSIT& M, Bengaluru-560064.
- Prof. Praveen Kumar TN, Associate Professor, Department of Mechanical Engineering delivered an invited talk on basics of Patents and case studies: inventions/patents on advanced materials in five days' faculty development programme on Advanced Material Techniques Intended for Engineering Applications from 31st October to 5th November 2022 organized by the Department of Chemistry, BMSIT&M, Bengaluru- 560064.

- Dr. Nagamadhu, Assistant Professor, Department of Mechanical Engineering delivered a talk on Modern Machining Processes for Polytechnic Students, Government Polytechnic Chamarajanagar.
- Prof. Praveen Kumar T.N., Associate Professor, Dept. of Mechanical Engineering delivered a lecture on patents/inventions in Automotive Technologies on 12th October 2022 for students of 7th-semester open elective course: Automotive Engineering.
- Prof. Madhu M. C., and Dr. O. Gurusurthy Assistant Professors, Department of Mechanical Engineering attended the program at Bureau of Indian standards, Peenya, Bangalore on 23.8.2022 wherein they were included as Resource persons to promote standards in Karnataka.
- Dr. HemaMalini B H, Reviewer for JIEB Journal. October 2022.
- Dr. Jayadeva G.S. has been accepted as a reviewer for the journal "WSEAS TRANSACTIONS ON ELECTRONICS (WSEAS)".
- Dr. Mallikarjuna Gowda C. P, reviewed the paper for the International Journal of Materials Today Proceedings.
- Dr. Mallikarjuna Gowda C. P, IEEE Mysore Con 2022 - 2nd edition of the flagship International conference, JSS Science and Technology University, Mysuru.
- Dr. C. P. Mallikarjuna Gowda, reviewed a paper in the International Journal on Disability and Rehabilitation: Assistive Technology.
- Dr. Shoba M, Associate Professor, Dept. of ISE, is identified as a reviewer for International Conference on "ADVANCED NETWORK TECHNOLOGIES AND INTELLIGENT COMPUTING" organized by Banaras Hindu University, Varanasi – 221005 Uttar Pradesh, India 22nd - 24th December 2022.

#### **Out Reach Activity**

- Dr. Usha B A, Associate Professor and Deputy Coordinator Incubation Centre, has coordinated to visit DERBI Incubation Centre at Hosur Road along with Innovation/Incubation students and staff members on 19.10.2022

#### **Reviewer for Journal / Conference**

- Dr Pradeep K. R., Assistant Professor, Department of AI & ML, actively participated as a reviewer for IEEE MYSURUCON 2022 in October 2022.
- Dr. Anjan Krishnamurthy, Reviewer for ICDDS and ANTS conferences during October 2022.

- Dr. Shanthi D L, Assistant Professor, Dept. of ISE, is identified as a reviewer for the 3rd International Conference on Advances and Applications of Artificial Intelligence and Machine Learning (ICAAAIML'2022) on 16th - 17th September 2022, organized by School of Engineering & Technology, Sharda University, Greater Noida.
- Prof. Shivakumara T, Assistant Professor, Department of MCA was a reviewer for IEEE MYSURUCON 2022 - The 2nd Edition of the Mysore Subsection Flagship International Conference held on 16.10.2022 and 17.10.2022.

#### **Collaborative Research**

- Dr. Shoba M., Associate Professor, Dept. of ISE, is enrolled for "Atal Yaan " a collaborative research project in Orbitx India Aerospace Pvt. Ltd.

## Best practices

### Parents' teachers meeting report

The parents teachers meeting for Sixth semester AI&ML students and parents was scheduled offline mode on 29th October 2022 at 10.00 am to 12.00 pm in BSN Block 5th floor Seminar Hall No-510. The meeting started at 10:30 am with few parents delay in joining the session. The session kick-started with presentation by HoD – Dept. of AI&MI – Dr. Bharathi Malakreddy A. welcomed all the parents, students and fellow staff members.

## College Events

### Ayudha Pooja Celebration

The college witnessed the Ayudha Pooja celebration on 01.10.2022 and on the same day department celebrated Ayudha pooja in the presence of Principal, Deans and HODs along with Staff and the students. Aayudha Pooja rituals were carried out by the Archak in presence of devotees, all the labs and department floor were beautifully decorated along with the rangoli as a sign of celebration. After the rituals Prasadam and sweets were distributed to the devotees.

### Kotikanta Geetha Gayana

As a part of 67th Kannada Rajyotsava celebration, As per the instruction from Karnataka State Government, We celebrated “Koti Kanta Gaayana” in BMSIT&M Amphitheatre at 11 AM on 28th October 2022. The six prescribed kannada songs were sung by the group of students. They were

1. Nada Geethe
2. Udhayavagali kannada nadu
3. Huttidhare Kannada nadalli huttabeku
4. Bharisu kannada dindimava
5. Hacchevu Kannadadha deepa
6. Vishwavinuthana Vidya Chethana

Staff and students of our college took oath “Sankalpa Vidhi” in Kannada.

- The students of Mechanical Engineering Department volunteered in the event “The SEI day” at The Bureau of Indian Standards by spreading awareness of standards to consumers by a door to door campaign. They have also participated in the walkathon held on 16th October 2022 at the Bangalore palace.

### Faculty Internship

- Dr. Bhuvaneshwari C. M., Professor, Dept. of CSE completed Faculty internship 10 days from walkinsoftware on data science from 14.10.2022 to 28.10.2022
- Dr. Manoj H. M., Asst. Prof, Dept. of CSE Completed Faculty Internship for 10 days at Power Planet Pvt. Ltd. on Software development of solar charger controller from 24.10.2022 to 8.10.2022.
- Dr. Anil G N, Professor, Dept. of CSE completed a Faculty internship for 5 days at NETCOM Technologies Bangalore from 13.10.2022 to 15.10.2022.
- Dr. Arunakumari, Asst. Prof, Dept. of CSE Completed Faculty Internship for 10 days at Nayakart Online Solution Pvt Ltd from 10.10.2022 to 20.10.2022.
- Dr. Lakshmi B. N, Asst. Prof, Dept. of CSE Completed Faculty Internship 10 days at Power Planet, Bengaluru from 12.10.2022 to 22.10.2022.
- Dr. Dhanalakshmi B K, Asst. Prof, Dept. of CSE Completed Faculty Internship 10 days at Germ R&D from 10.10.2022 to 20.10.2022.
- Dr. P. Sudarsanam Asst. Prof, Dept. of ISE, has attended a faculty internship from 16.09.22 to 29.09.22 ( 10 days) on Python Programming at Naberly Technologies Pvt Ltd, Bangalore.
- Dr. Karabi Sikdar, Professor & Head, Department of Mathematics underwent Faculty Internship Program at Sree Sai Enterprises from 07.10.2022 to 12.10.2022.
- Dr. Annamma Abraham, Professor, Department of Mathematics underwent Faculty Internship Program at Aspartika BioTech Private Limited from 10.10.2022 to 14.10.2022.
- Dr. Jojoy Joseph Idicula, Professor, Department of Mathematics underwent Faculty Internship Program at Aspartika BioTech Private Limited from 07.10.2022 to 12.10.2022.
- Mrs. Anitha Kiran, Assistant Professor, Department of Mathematics underwent Faculty Internship Program at Sree Sai Enterprises from 07.10.2022 to 12.10.2022.
- Dr. Annapoorna M S, Assistant Professor, Department of Mathematics underwent Faculty Internship Program at Sree Sai Enterprises from 07.10.2022 to 12.10.2022.
- Prof. M. Sridevi, Assistant Professor, Department of MCA successfully completed a 10-day industry internship at Brik Oven Pvt. Ltd., Bengaluru, from 11.10.2022 to 22.10.2022 in the Data Analytics domain.

- Dr. Aparna K, Associate Professor, Department of MCA successfully completed a 10-day industry internship at M/s. MK Solutions Pvt. Ltd., Bengaluru, from 13.10.2022 to 25.10.2022 in the Machine Learning domain.
- Prof. Dwarakanath G., Assistant Professor, Department of MCA successfully completed a 10-day industry internship at Nebarly Technologies Pvt. Ltd., Bengaluru, from 13.10.2022 to 25.10.2022 in the Image Analysis domain.
- Prof. Reshma C.R., Assistant Professor, Department of MCA successfully completed a 10-day industry internship at Do All Engineering, Bengaluru, from 14.10.2022 to 25.10.2022 in the Innovative Machines design domain.
- Prof. Nirupama B.K., Assistant Professor, Department of MCA successfully completed a 10-day industry internship at Zero Innovation Technology, Bidar, from 13.10.2022 to 25.10.2022 in the Software Testing domain.
- Prof. Venkatesh A., Assistant Professor, Department of MCA successfully completed a 10-day industry internship at MN Envirotech, Bengaluru, from 13.10.2022 to 25.10.2022 in the Customer Relationship Management wing.

## Student Internship

Departments across the college conducted internships for 3rd-semester students on the latest technologies and extra-curricular activities. Some of the activities/events include Exploring Technical writing, Soft skills, Life skills, GitHub, Creating

Kaggle ID, Technical Paper Reading, and Documenting, Technical Paper Reading and Documenting, Report Writing, 3D printing – Design Thinking and Innovation and Face off activity, Hardware and Software Components exposure to students were also taught.

## FDP Conducted/Organized

- The department held a five-day FDP titled "Hybrid Materials for Multifunctional Applications" from October 11 to 15, 2022. The total number of participants was 25 from industry and different institutes.

## Expert talk organized

- On 15th October 2022, the department of Civil engineering, BMS Institute of Technology and Management organized the ICE Student chapter launch under the Institute of Civil Engineering (ICE), supervised by the ICE faculty advisor Mrs. Shimna Manoharan and taken up by the student committee. The chief guests for the event were Mrs. Smita Sawdadkar, Mr. Debabrata Mukherjee, Mrs. Hrudya C S, Mr. Praveen Kumar D R, Mr. Abhinav Gupta, and Mr. Shivom R. and the event was conducted in a hybrid format.

The speakers shared their profuse experiences with students who are keen to give their contribution to the research and civil engineering field. Many civil engineering projects were introduced to the students, and the difficulty faced by graduate engineers in the civil engineering domain was explained. Mr. Praveen Kumar D R, Mr. Abhinav Gupta, and Ms. Hrudya C S joined the session online, and Ms. Hrudya shared her experience in the sector concerning women. She encouraged the female students to change their perception of the civil engineering field and, regarding professional performance, stated that both genders display equal desires and wishes when it comes to getting involved in strategic projects, applying practical contributions, and obtaining administrative knowledge.

- Department of Electronics and Communication Engineering conducted three day workshop on “Signal Processing with MATLAB Programming and Simulink” during 20.10.2022 to 22.10.2022 in association with Cranes Varsity for 5th semester students. Dr. Surekha R. Gondkar and Prof. Mamatha K. R. coordinated the event. Mr. Mohsin Khan, Corporate trainer, Cranes Varsity trained 84 students starting from the basic concepts of MATLAB programming to small projects on image and audio processing with hands-on. Also students got exposure to Simulink concepts with hands-on.

- Department of Mathematics, BMSIT&M has conducted Five Days Faculty Development Program (FDP) on “Mathematical Foundations for Data Science” from 18.10.2022 to 22.10.2022. Participants from various organizations attended the program and eminent resource persons gave insight into various applications/techniques of Mathematics in the field of Data Science.

- The Dept. of MCA organized a orientation session by Mr. Girish U, Software Engineer, Fidelity Investments (Alumni of 2015-17 Batch – Lateral Entry) who conducted an online orientation session to the students on 03.10.2022 on campus recruitment process and expectations.

- Expert talk on CO-PO mapping organized for Faculty and staff of the Department of Civil Engineering was organized as part of NBA preparation on 21.10.2021, Resource person was

Dr. K. Rajanikanth, Ex. Principal, MSRIT, Bengaluru

- An awareness session on “NABL accreditation of laboratories (ISO / IEC 17025: 2017)” for Expert talk on CO-PO mapping organised for Faculty and staff of BMSIT&M on 15.10.2022, resource person is Mr. Avadhani S.S. & Mr. Janakinath A G, M/S Matrix Quality Services Pvt. Ltd.

## Alumni Interaction

The Department of Civil Engineering organized an Alumni talk on 21st October 2022 for final and pre-final year students (37 students attended). Alumnus- Nitin Kumar N (2013-2017) batch who is presently the manager at STRATA, a prop-tech company, and Alumnus Tulasi G N (2015-2019) batch who is presently working as a Quantity Surveyor at Collier's delivered the Alumni Talk.

The talk was highly interactive and focused on “Current Career Prospects and skill sets for Civil Engineering Graduates”. Alumni explained about the civil engineering industry, domain of opportunities, how to overcome the ambiguity of working or higher studies, skill sets for private job and preparation for government examinations. The final-year students were curious about skill enhancement as UG graduates, important subjects to focus on for Government examinations. The interaction also included learnings from student internships, acquiring recommendations to find jobs, working hard, and upskilling every day. Another important skill that alumni emphasized was professional ethics. Nitin Kumar specifically explained how professional ethics helped him grow and gain recognition in his career. Dr. Rajakumara H N- HoD, CV also guided students on carrying professional ethics and keeping consciences clear of wrongdoings always leads to growth and progress in life. Mrs. Archana K, Assistant Professor, coordinated the event.

## Higher Education Facilitation Activities

**D**uring the month of October 2022, 22 students visited HEFC, or contacted HEFC with questions ranging from basic inquiries about higher education opportunities abroad, to seeking help with choosing universities, costs, application timelines, and visa processes.

HEFC organized an online session with a couple of our outstanding, successful students:

1. Kaushik Balasundar, currently doing his MS at Carnegie Mellon University and
2. Drishti Megalmani, currently doing her MS at the University of California, San Diego

The ex-students gave a detailed account of their application process, as well as took questions from the students. Although there were only 6 students participating, we have recorded the session and will share the recording with students who missed the session.

## Proctoring System and Counselling report

Under each proctor (assigned faculty) a maximum of 25 students are allocated. Proctoring of each Dept. is monitored by a team of deputy chief proctors and a chief proctor at the institutional level.

Students who have behavioral issues, or personal issues can avail the guidance of professional counsellor Mrs. Chetana Srinivas. She visits campus on Tuesday and Friday from 1.30 pm to 4.30 pm. She provides counselling for 'Behavioural', 'Personal', 'Academic' issues. Students having academic deficits were guided by 'Study skills' and 'Time-Table management'.

Four students sought 'Academic guidance' in above period. One student beside academic, sought 'Personal counselling', 'Client centred therapy' was utilized. One staff requested for academic guidance for her son, hence the above discussed. Counselling is in 'Offline' mode since students are attending college. To conclude five students and one staff sought counselling during the month of October-2022.

## Innovation Centre Activities

A 3-week rigorous internship was designed for the students of 3rd semester. The internship was split into 3 different modules, Innovation in week-1, Incubation in week-2, and Entrepreneurship in week-3. The courses were to enable students with the knowledge of 360 Degree Approach to Innovation, which is a fast and visual self-analysis or self-reflection for teams to get clarity about unused innovation potentials. The internship coordinator was Ms. Shama H M, Innovation Centre in charge.

Module-1 internship on Innovation -The course was designed to learn on how to choose a problem and approach to work on it, proof of concept, Idea validation, prototype validation, market research, product life cycle and the challenges in levels of TRL, MRL, IRL on the first week. About 16 students participated in the Module-1 internship on Innovation.

Module-2 internship on Incubation - On the second week of the internship the students were educated on concepts like Product- Innovation rubrics, business model canvas, evidence based startup, value proportion startup,, and also Entrepreneurship supporting organisations which helps students to incubate their products. Students also worked on 2 case studies, Indian Economand y, and Indian Healthcare and field visit was also part of this week's internship. About 28 students were part of this Module-2 internship on Incubation.

Module-3 Internship on Entrepreneurship- On the thrid week of the internship, students were educated on the National Innovation Contest, Smart India Hackathon and other national level competitions. The idea behind this course was to educate students on the important comeptitions which helps them to get an exposure to the larger forums and to nurture their ideas and the establishments which are the support system for entrepreneurship.

## NCC Activities

The inter-battalion drill competition was held on 15th Oct 2022 for RDC at St Claret college Jalahalli. Around 25 cadets were selected to represent 39 KAR BN NCC level among which our college cadets (BSUO)- Battalion senior under officer (Cadet rank) Akin Anto and (CSUO) Company Senior Under Officer Rahul kumar were part of it.

### Mission Life-21 Launched by Hon'ble Prime Minister - 2022

MISSION LIFE 21-Day Challenge was launched on 20th Oct at the statue of unity Ekta nagar, Gujarat to enable Indians to take one simple environment-friendly action per day for 21 days and eventually to develop an environment-friendly lifestyle. Cadets of BMSIT&M under the guidance of ANO Lt. Rani M.S witnessed this activity & Cadets were encouraged to have a lifestyle for the positive space for Environment The event was telecasted live on Doordarshan & watched live at all NCCUnits

### KERALA TREKING CAMP - OCT 2022

JUO.Mayur P successfully attended Boys Trekking Expedition (Kerala Trek) from 6th to 13th Oct 2022. Organised by Kerala Directorate.

**Rashtriya Ekta Diwas - " Ek Bharat Shreshth Bharat"**

To commemorate the birth anniversary of Sardar Vallabhbhai Patel, the nation celebrated the 147th National Unity Day or Rashtriya Ekta Diwas on October 31st . The Rashtriya Ekta Diwas provides an opportunity to reaffirm the inherent strength and resilience of our nation towards upholding the unity, integrity, and security of our country. Cadets displayed their march past, and took up a pledge for the same, & ANO Lt Rani M.S motivated the cadets and shared views about the importance of the day.

**Sports Events**

Our college sports teams Participated in VTU sports events in VTU State level weightlifting (M&W) and Best Physique (M) competition, On 28th & 29th of Oct 2022 at GAT, Bengaluru. Ms. Shinola, Civil Dept, 3rd sem secured a silver medal in the 49 kg category.

Our table tennis team (M&W) teams participated in VTU Division level and womens' team secured First Place and qualified for State level and secured Third place at NCET, Bangalore, and VVCE, Mysore on 28th Oct and 6th Nov 2022 respectively

## Placement Information

**2023 BATCH PLACEMENTS:** The placement season for the 2023 Batch commenced on 01.09.2022. As on 31.10.2022, totally 422 UG Students are placed with a total 577 placement offers and 20 PG students have been placed and given internship offers as detailed below.

## Faculty publication information from IRINS site

IRINS is web-based Research Information Management (RIM) service developed by the Information and Library Network (INFLIBNET) Centre in collaboration with the Central University of Punjab. The portal facilitates the academic, R&D organizations and faculty members, and scientists to collect, curate, and showcase scholarly communication activities and provides an opportunity to create a scholarly network. BMSIT&M through IRINS brings the details of its faculty research and publications details for the month of October-2022.
