BMSIT/Off/2022-23/

Date: 16th Nov 2022

Dear Students / Parents,

Greetings from BMS Institute of Technology & Management, Bengaluru

The inauguration of the Induction Program and the first year classes for 2022-23 batch is scheduled on 21st Nov 2022 at 10.00 am. All students should attend the inaugural function. Parents are also invited to attend the same.

Attendance for the academic year will be reckoned from 21st Nov 2022.

The Induction Program introduces the students to the system, its rules, regulations of Visvesvaraya Technological University (VTU), the institution and the department. It is also an occasion to be introduced to the department staff and the department facilities. It will enlighten the students about the Clubs/Associations in the institution to which they can be a part of it later. Membership in these clubs will be on first cum first serve basis. The students will also be introduced to the sports facilities in the institution which is of a very high standard.

The Student Counsellor will also address the students on adolescence problems and how to overcome it. She will also speak on increasing the level of concentration and overcoming anxiety.

The institution is providing a great opportunity to each one of you to acquaint yourselves both in academics, extracurricular and cocurricular activities.

The institution is organising a Tech-Fest called **Tech Transform** on 25th – 26th Nov 2022 for showcasing the innovative student projects of all semesters. Opportunity will also be given to the students of first year to display their projects that have carried out during their Pre-University (PU) days. The first year students are encouraged to bring their projects for exhibition, if any.

We look forward to seeing you in BMSIT&M campus soon.
