

# BMS INSTITUTE OF TECHNOLOGY AND MANAGEMENT

## Weekly Report on Parent Teachers Meeting

Department : AI & ML	2/4/2020 and 3/4/2020 ( 5 .00 – 6.00 PM)
----------------------	------------------------------------------

No. of parents attended : 40

I. *Parent Teacher Meeting Virtual (PTMV) :*

*Once the college reopens we may not have dedicated slot for PTM due to crunch of time we thought of utilizing this lockdown period for PTM as most of the parents are at home and will be able to talk to us and it worked with most of parents talking to us.*

PTM was scheduled with students Id and had requested students to get atleast one parent live on the board for PTM meeting.

The Parent Teacher Meeting was held in different slots using Zoom Cloud Meeting Application. The PTM were sliced at different time slice (based on Proctor students batch) of 1 Hr duration so that we attend all the parents and listen to each one of them.

*Please find below the link for the PTM meeting text and video.*
