

BMS INSTITUTE OF TECHNOLOGY & MANAGEMENT (Autonomous Under VTU)

DEPARTMENT OF CHEMISTRY

1. Dr. K Sureshkumar has received DST- SERB Research project worth Rs.18.3 Lakhs in the year 2021-24.
2. Mrs. Swetha G A, Assistant Professor in the Department of Chemistry, submitted her thesis to VTU on 8th November, 2021.
3. Department of Chemistry successfully completed first International Web conference on “ACCELERATING INNOVATIONS IN MATERIAL SCIENCE” (AIMS 2020) from 4th to 7th August, 2020.
4. Mrs. Bincy Rose Vergis was conferred the degree of Doctor of Philosophy in Applied Science (Chemistry) for the thesis entitled "Synthesis, Characterization of Transition Metal Nanospinel Ferrites (MFe₂O₄) and the study of their Multi-Functional Properties" on 8th Feb, 2020.
5. Dr. Jyoti Roy Choudhari has received DST- CRG Research project as Co-PI worth Rs 32, 824,00 in the year 2019-20.
6. Dr. Jyothi C Abbar has received DST- SERB Research project worth Rs.18.3 Lakhs in the year 2018-21.
7. Dr. T. Ramakrishnappa has received DST Research project worth Rs. 95 Lakhs in the year 2018-19.
8. Dr. Jyoti Roy Choudhari has received DST- SERB Research project worth Rs.15 Lakhs in the year 2018-2019
9. Dr. T. Ramakrishnappa selected as a potential reviewer of the international journals such as Elsevier, Springer, and RSC, ACS, etc.
10. One of the Ph.D. Student Ms. Varsha Raj of Dr. T. Ramakrishnappa selected as visiting researcher under the supervision of Dr. Werasak Surareungchai, Associate professor, King Mangkut's university of Technology, Thonburi.
11. The faculty have papers published in national and international scientific journals on a frequent basis.
12. 1 staff members are currently pursuing research activities.
13. Dr. C. Kavitha has received DST-SERB Research Project worth Rs. 40 Lakhs in the year 2014-2017.
14. The Research and Development lab (R&D) for Chemistry: CENTER FOR ADVANCED MATERIAL RESEARCH has been set up recently, jointly with Physics Department and is functional with well-equipped instruments and adequate number of sophisticated digital electronic gadgets for various analyses.
15. Dr. Kavitha C has received VGST SMYSR project worth 5 lakhs 2017-2018

BMS INSTITUTE OF **TECHNOLOGY & MANAGEMENT** (Autonomous Under VTU)

16. Department of Chemistry had organized a talk on 23rd October 2018 with a special invited talk “Material Science and its potential application” by Dr. M V Reddy, Professor, Department of Material Science and Engineering, National University of Singapore, Singapore was held in the seminar hall, BMSIT for the first year BE Students. After a short welcoming address from our Departmental Head Dr. Ramakrishnappa. T. Resource person Dr. M V Reddy, delivered a presentation about the materials science and its potential applications.
