

Water Day Celebration

World Water Day Celebration World Water Day was celebrated by the Department of Chemistry on March 22nd, 2019 with a special invited talk by Rotarian A. C. N. Murthy and was held in the Sir M. V. Auditorium, BMSIT. World Water Day is observed by UN annually on 22nd of March to give awareness about the right for water. World Water Day was first formally proposed in 1992 United Nations Conference on Environment and Development (UNCED) in Rio de Janeiro, Brazil. After a short welcoming address from our Departmental Head Dr. Ramakrishnappa. T, resource person Mr. A. C. N. Murthy delivered a presentation about the importance of water in our daily life and how it is getting affected due to usage of plastics and other pollutants. Also, he emphasized the hazards caused by plastics and the courage of saying no to plastics.
