**Clarifications**

1. In view of the revised passing standard in 2021-22 autonomous guidelines as shown in **Table - 1**, a few students who had failed in the previously announced results, have now declared passed. However, all those who have passed in the previously announced results continue to pass even in the revised results.

**Table-1** Passing Standard as Per the Revised VTU 2021-22 Autonomous Guidelines

<b>Passing Standards at Colleges using Absolute Grading</b>	
<b>Evaluation Method</b>	<b>Passing Standard</b>
Sessional (Continuous Internal Evaluation)	Score: $\geq 40\%$
Terminal (Semester End Examination)	Score: $\geq 35\%$
Overall Score for passing is $\geq 40\%$	

2. The earlier letter grades and the grades adopted as per the revised 2021-22 autonomous guidelines are shown in the **Table - 2** and **3**, respectively. In view of the revised guidelines, the SGPA of a few students awarded with 'D' grade in the earlier results has reduced.
