DEPARTMENT OF CIVIL ENGINEERING

Faculty Achievements

1. Prof.Manishh S Dharek delivered a talk (online mode) on “Smart Dynamic Concrete- Some Case Studies” for students of Civil Engineering on 8.06.2020 at RSCOE, Pune
2. Prof.Manishh S Dharek delivered a talk (online mode) on “Self Consolidating Concrete – An overview” for students of Civil Engineering on 19.6.2020 as part of Open Course “Sustainability in Civil Engineering: from Sustainable Materials to Sustainable Technologies”
3. Prof.Manishh S Dharek delivered a talk (online mode) on “ Self Consolidating Concrete – An overview” for students of Civil Engineering on 19.06.2020 as part of Open Course “Sustainability in Civil Engineering: from Sustainable Materials to Sustainable Technologies”
4. Dr Rajesh Gopinath (Key Liaison-OIKOS [Eco-Club] & Associate Professor and HoD [Department of Civil Engineering], BMS Institute of Technology and Management) has delivered a Webinar via Google Meet on "Importance of Environmental Conservation", on 20.06.2020; organised by "Dept. of Civil Engineering, The Oxford College of Engineering, Bengaluru, as part of Expert Webinar Lecture Series-I.
5. Dr Rajesh Gopinath (Key Liaison-OIKOS [Eco-Club] & Associate Professor and HoD [Department of Civil Engineering], BMS Institute of Technology and Management) has delivered a Webinar via Google Meet on "Urbanisation and its Contribution to Climate Change", on 2.06.2020; organised by "Environmental Sciences Association, PG & Research Department of Environmental Sciences, Bishop Heber College, Tiruchirapalli; towards the World Environment Day Celebration.
6. Dr Rajesh Gopinath (Key Liaison-OIKOS [Eco-Club] & Associate Professor and HoD [Department of Civil Engineering], BMS Institute of Technology and Management) has delivered a Webinar via CISCO WEBEX on ""Environmental Stewardship: Need and Potential Role-play by an Educational Institution", on 5.06.2020; organised by "Shaashwat Eco-Sustainability Club, JSPM's Rajarshi College of Engineering, Pune"; towards the World Environment Day Celebration
7. Mr Manishh S Dharek, Faculty, Department of Civil Engineering, , received a Best Paper Award for the research paper titled “Stress strain characteristics of reinforced hollow concrete block masonry melded with mesh reinforcement “at International Conference on Sustainable innovations in Civil and Mechanical Engineering ICSICME 2020 ,organised at SKN Singhad college of Engineering, Pandharpur, Maharastra on 4th Jan 2020.

8. For the benvolence of 2015 2016 and 2017 batches, an International Webinar on "The Future and Civil Engineering", was organised on 18.06.2020; in the Department of Civil Engineering, BMS Institute of Technology and Management, in collaboration with IDP (Bangalore Whitefield) and University of Newcastle (Australia). The session was delivered by Prof Jamie Mackee, University of Newcastle; and coordinated by Dr Rajesh Gopinath from Department of Civil Engineering, BMS Institute of Technology and Management.
9. Dr Rajesh Gopinath (Assoc. Prof.& HoD, Dept of Civil Engg) was felicitated with "Young Environmentalist Award", for his contribution towards "Sensitization Efforts towards Society at Large on Ecological and Environmental Conservation; & or Guiding and Creation of Eco-Clubs across States in India". The honour was bestowed jointly by the Environmental NGOs DERO (Deccan Environmental Research Organisation, Bijapur) and SESD (Society for Environmental and Sustainable Development, New Delhi); on 28th September 2019, at Vijayapura, Karnataka.

10. Dr Rajesh Gopinath (Associate Professor, Department of Civil Engineering) has delivered an Invited Talk titled "Eco-Clubs As Informal Teaching Media For Disseminating Environmental Studies At Educational Institutions", in the "National Workshop on Environment, Forestry, Biodiversity & Sustainable Development" on 30th July 2019, at Ta Ra Su Rangamandira, Chitradurga, Karnataka, organised by Bhoomi "an environmental NGO"
11. Dr Rajesh Gopinath (Associate Professor, Department of Civil Engineering) has delivered a Plenary Talk titled "URBAN HEAT ARCHIPELAGOS OF BENGALURU & NEED FOR CLIMATE SUSTAINABLE TOWN-PLANNING: PARADIGM SHIFT IN RESEARCH", at International Conference on "Sustainable Development in Energy and Environment", on -20th, July 2019; organised by Department of Bio-Technology, Kamaraj College of Engg. and Tech., Tamil Nadu.

12. Dr Rajesh Gopinath has presided as Chair-person and has delivered an Invited Talk titled "Avenues in Research: Bio-mimicry to Bio-remediation", in the "National Conference on Emerging Multi-Disciplinary Trends in Biotechnology Engineering: A Future Perspective", on 24th August 2019, at Acharya Institute of Technology, Bengaluru.
13. Dr Rajesh Gopinath (Assoc. Prof. & HoD, Dept of Civil Engg.) has delivered an Invited Talk titled "Urban Warming and Bangalore", at Dept. of Civil Engineering, SVIT, Rajankunte, Bengaluru, on 26th September 2019.
14. Dr Rajesh Gopinath (Assoc. Prof. & HoD, Department of Civil Engineering) has participated in the International Conference on Innovative Trends In Civil Engineering For Sustainable Development on 14-15 September 2019 at NIT Warangal, and has given an oral presentation on "Real-Time Ambient Carbon Monoxide Ward-Wise Mapping for Bengaluru City".
15. Mr. Vinod B R , Asst. Professor, Department of Civil Engineering ,BMSIT&M received the Kempegowda Award or Nadaprabhu Kempegowda Award from Bruhat Bengaluru Mahanagara Palike (BBMP) ,Govt of Karnataka.
16. Mr Manishh S Dharek, Faculty, Dept. of Civil Engineering, BMSIT&M delivered a technical talk on " Smart Dynamic Concrete-Mix design and its applications" for PG students of M.Tech, Dept of Civil Engineering, Center of Postgraduate studies,Regional Center-VTU-Kalaburagi Campus on Oct 1,2019.
17. Dr Rajesh Gopinath (Assoc Prof. & HoD, Dept. of Civil Engineering, BMSIT&M) has presided as Keynote Speaker & Chief Guest at "National Conference on Research Advances in Engineering and Technology", organised in CSI College of Engineering (Ooty) by Hillgrove Research Foundation, on 15th March 2019. He was also the Jury for evaluating Papers presented by research scholars under Civil, Environmental and Nano-Technology themes.
18. Mr Vinod B R , Assistant Professor, Department of Civil Engineering was invite as a Technical Session Chair for the "2nd National Conference on Recent Innovation in Engineering, Science, Humanities and Management (ESHM-19) " scheduled on 29th March 2019 at School of Electronics and Communication Engineering REVA University, Rukmini Knowledge Park, Yelahanka, Bangalore (India).
19. Mr Vinod B R , Assistant Professor, Dept. of Civil Engineering, BMSIT&M delivered an technical talk and Engaged a hands on session on the Importance of Drafting on 27-3-19, at SSS Consultancy Bangalore.
20. Mr Vinod B R , Assistant Professor, Dept. of Civil Engineering, BMSIT&M delivered an technical Design and construction aspects of Road Embankment on 5-4-19, at SSS Consultancy Bangalore.
21. Dr Rajesh Gopinath (Associate Professor & Head of Department of Civil Engineering) was invited as the Jury on 30.03.2019 to evaluate poster presentation of Environmental Technology

course 16ET42 for IV semester B E Civil Engineering students at R V College of Engineering, Bengaluru.

22. Mrs Archana K, Department of Civil Engineering received prizes for winning in the following sport events that was held in Jan 2018 and 2017. Volley Ball- first place – Jan 2017; Carrom- second place- Jan 2017; Badminton- first place- Jan 2017 and Volley Ball- second place- Jan 2018. The prizes were distributed on 1st August 2018 at Main Seminar Hall.
23. Dr Rajesh Gopinath, Associate Professor & HoD, Department of Civil Engineering; has presided as the Chief Guest at Department of Civil Engineering, East Point College of Engineering & Technology, Bangalore, on the occasion of Forum activities "Force". On this occasion he has delivered an Invited Motivational Talk on "Civil Engineering..... the Path ahead" on 27th October 2018 On this occasion he has also handed over Certificates of Distinction to student toppers.'
24. Dr Rajesh Gopinath, Associate Professor & HoD, Department of Civil Engineering; has been selected for the position of 'Academic Resource Person', in the Annual Academic Meet held on 28th September 2018 by HILLGROVE Research Pvt. Ltd. The same was officially communicated in October 2018
25. Dr Rajesh Gopinath, Associate Professor & HoD, Department of Civil Engineering; has been included in the Honorary Advisory Panel in the 2nd Quarter BOG Meeting by Society for Environmental Education and Development (SEED), based in Miao at Arunachal Pradesh. He was instrumental in advising them on Matters pertaining to setting up of Eco-Clubs. The same was officially communicated in October 2018.
