EDUCATIONAL INDUSTRIAL VISIT REPORT

The summary of the report is being documented in this section. Prepared by Deepti B R and Harini B S.

Trip Details:

DAY 1: 26/05/2022

The departure of the bus at 8:30pm.

DAY 2: 27/05/2022

The arrival of the bus at hotel at 6:40. Then we visited jog falls in Shivamogga. Later on, continued the visit to **Linganamakki Dam and Power House**. The departure of the bus to Gokarna.

Jog Falls is a waterfall on the Sharavati river located in the Western Ghats near Sagar Taluk of Shivamogga District, Karnataka, India. Jog Falls is created by the Sharavati dropping 253 m (830 ft), making it the third-highest waterfall in India after the Nohkalikai Falls. Associated with the waterfall is the nearby Linganamakki Dam across the Sharavati River. The power station has been operational since 1948 and is of 120 MW capacity, one of the largest hydroelectric stations in India at that time and a small source of electric power for Karnataka now. Photos were prohibited strictly at the dam zone.
