Activity Sl. No: 3

**Name of the Activity: Reflection Photography**

Mode of execution: Online (3rd week of April)

The third activity for the month was "Reflection Photography". To our surprise the response was not that great. This made us to think where did we go wrong? When we did brainstorming, we realised that, reflection theme is mainly based on outdoor photography. Due to COVID-19 situation, students could not execute outdoor photography. So we have decided to keep simple theme based photography activities. Some of the memorable pics have been shown below.

And Yes! Our follower count in Instagram is growing.
