E - STUDENT INDUCTION PROGRAMME - 2021-2022

Consolidated report of 12 days e-SIP

BMS Institute of Technology and Management, Yelahanka, Bengaluru, conducted 12 days induction program for the first year B.E., degree students of eight branches from 13th Dec 2021 to 31st Dec 2021.

The objective of the program was to make the students feel comfortable in their new environment, open them up, set a healthy daily routine, create bonding in the batch as well as between faculty and students, develop awareness, sensitivity and understanding of the self, people around them, society at large and nature. The following is the brief report of the Induction Program

The sessions consisted of activities and events in line with the AICTE directives. More than 350 students benefitted from the 12-day program, which was held simultaneously in the Institute. The speakers included a mix of internal and external resources. The resource persons and the faculty members interacted with the students with an aim to overcome the mental blockades or hinderances.

Familiarization to Institute/Dept./University regulations:

On the first day of the induction program coordinators addressed the students and spoke about the institute, sport facilities, different clubs etc. Students were given the information and prospective of their branch, various facilities and infrastructure available at the Institute by the Head of their department.

VTU rules and regulations were briefed, which included Choice Based Education, Outcome Based Education, credit system, SGPA, CGPA, Ranks, Attendance requirements, Assessment Methods, Passing standards, Eligibility, Maximum duration of the course, etc. The induction program gave an opportunity for the higher semester students to demonstrate the projects carried out by them as part of the Project Based Learning.

Health and Yoga: Students were informed about the importance of yoga and benefits of doing yoga regularly were discussed. Meditation and relaxation was practiced to attain peace of mind. Students were also informed about importance of sports and fitness.

Creative Arts: The Creative arts session on Clay art, how to do art with bottle (plastic jar or glass jar or candles), Art for Social Change were held. Students created beautiful clay bag tag,

pencil sketches, creative, innovative water color painting and so on. Few activities were carried out by first year students like classical/western dance and music, skit, playing musical instruments, singing songs etc.

Universal Human Values: Sessions were conducted by eminent persons who spoke about on the objective of education, advanced civilization, Holistic development (Spiritual and Material) and on the transformation of society. Gandhi movie was telecasted to induce patriotism and to improve, Confidence, planning, group activity, team dynamics, coordination, communication, and leadership among the students

Literary: Literary activity session on a) Story Narration and (b) Impromptu Speech. Debate topics: (a) NEP (b) Invention vs Innovation and (c) Present Education system were carried out. The session aimed to improve their interpersonal communication skills and help them to open up their views. It was a perfect platform for the students to bring their opinions to a group of varied thoughts and provoke constructive discussions. The experience sharing session gave the students an opportunity to pen down a few words on their life experiences so far with some event that they dealt with great emotional effort.

Lectures by Eminent People: The Institute invited many eminent personalities of multitude background for sharing their experiences. They interacted with the students on the challenges and opportunities, extensively with discussions on goal and vision of their carrier, how to excel in carrier, what attitude one should develop to get success etc. Executives from industry and academia addressed the students and briefed about the placements in various companies. Also explained about how to prepare for written exam, group discussions and Interviews. The alumnae also inspired the students to get along with new environment in BMS &IT

Visits to Local Area: Department coordinators, shown videos of historical places of Karnataka like Mysore, Halebedu, Beluru, Badami, and glorious Hampi, wild life and other flora and fauna, videos on sea wonders through online. A virtual tour to BMSIT&M Labs, central facilities and so on. This online outreach activity was most informative to students.

CLOSING PHASE: In closing Phase, all the Students of respective branches, were asked to give their feedback about the Induction Program and they were asked to submit their feedback report to their respective class mentors. Also, class mentors briefed the students on how to write Induction Program Report. Finally, the Core Committee members of the Induction Program visited all the classrooms and concluded the Induction Program after the feedback session.
