Frequency of Meeting: Once in a month

Roles and Responsibilities: The Reader's Club of our institution is dedicated to cultivating a love for reading, critical thinking, and creative expression among students. It provides a forum to not only debate books but also to exchange ideas, discuss different perspectives and learn new concepts. The goal is to provide students with as many creative and artistic possibilities as feasible, to encourage students to analyse and interpret texts from multiple perspectives, to promote open discussions and respectful argumentation on social, cultural, and philosophical themes emerging from literature, to host movie screenings followed by critical discussions. There will be club sessions organised each month where the students will choose a book to read and will discuss what they have comprehended in the next club session.

One Year Activities conducted: Quill Quest – Short Story and Poetry Writing competition, Movie Screening.
