This workshop was jointly conducted by Rotaract Bangalore R T Nagar with Rotaract Club of BMS Yelahanka. We humans always need some time to boost ourselves to do work enthusiastically. The energy which we need is positive thinking which most of us lose or don't find easily. Maintaining a state of mindfulness results in a state of mental well being and a healthy mind. Consequently, Rotaract Bangalore R T Nagar in-association with Rotaract Club of BMS Yelahanka conducted a workshop on “Mindfulness” by the master of minds, the director of Buoyancee growth and corporate trainer, Mr. Ajit Kaikini. FELLOWSHIP & CULTURAL EXCHANGE MEET

The event was focused on forming an official bond of friendship with Rotaract Club of Dhaka Cosmopolitan (RID 3281) and extending our International service avenue. The event had a homogenous mix of both formal and informal activities that helped us form this alliance and break the ice.

The event started with the recitation of the national anthem of both countries. The Bangladesh national anthem was played followed by Indian national anthem. The letterhead exchange was also marked in this meet, as a formal alliance of collaboration for Rota year 2020–2021. There was a brief introduction of the Clubs and their Board members, which helped everyone understand each of the member, hobbies, passions and interests. A thorough presentation of the past, current and upcoming projects took place by each club. This was followed by a brainstorming session to collaborate on prospective ideas addressing common problems between India and Bangladesh. A vibrant exchange of Indian and Bangladeshi culture followed the brainstorming session. Next was a fun ice breaking session with interactive games to get to know each other better. All in all, this midnight culture exchange with the Dhaka citizens gave us the most promised international platform as Rotaractors.

BLOOD DONATION DRIVE

A Blood Donation drive was organized by The Rotary Club of Bangalore, Yelahanka in partnership with the Rotaract Club of BMS Yelahanka on 23rd August from 11am to 3pm. The event was graced by the MLA of Yelahanka, S.R Vishwanath who spoke about Blood Donation and also threw light on the importance of blood donation in these troubled times due to the pandemic as there is a dire need of blood more than ever now.

A mutual partnership between Rotaract Club of BMS Yelahanka, Rotaract Club of Yelahanka and Rotaract Club of NDC and Rotary Bangalore Yelahanka (Parent Rotary) was observed at the Blood Donation Camp on 23rd August, 2020. The collaborative project was conducted in three locations, namely, Newtown Club, Purva Venezia and ZED Apartment. Our club's contribution towards the camp was primarily directed towards the camp set up and awareness cycle rally. The camps witnessed a collective donation of 77 blood units. 6 rotaractors participated in the awareness cycle rally from our club to escort the mobile medical van from New Town Club to Purva Venezia while spreading awareness of Blood Donation on our way. The partnership was a commendable platform to connect with the Rotarians and marked our first amalgamation for RIY 2020-2021.

BLOOD DONATION DRIVE

Fundraiser for Sahil's Cochlear Implant Surgery.

This event was a fundraiser to aid the efforts of Rotary Bangalore Yelahanka in paying for the cochlear implant of a young boy by the name of Sahil. We independently hosted a fundraiser during the Blood Donation Camp on the 23rd of August. Handmade cloth masks, tailored by us were sold to the guests and donors by our Rotaractors. Eminent personalities that supported this fundraiser include MLA of Yelahanka, Mr. Vishwanath, ACP Srinivas Sir, Rtn. Dr. Brij Mohan, President Parent Rotary, RBY, Rtr. Likitha P, Pres. Rotaract Club of Yelahanka, Club YSD Rtn. Vanitha Narayan. The cause supporting the fundraiser was to aid the cochlear implant surgery prescribed to Sahil, an 8 year old boy suffering from a progressive hearing loss. The donation was made through Rotary Bangalore Yelahanka Charitable Trust, under Rotary Bangalore Yelahanka and Rotary International, that took up the initiative to financially support Sahil's family by funding his treatment. The fundraising tactic received brilliant recognition with over 35 masks being sold.
