

STUDENTS' ACHIEVEMENTS

Students' Achievements

Academic achievement is important for the successful development of young people in society. Students who do well in school are better able to make the transition into adulthood and to achieve occupational and economic success.

Non-academic sports and the performing arts influence achievement. They include confidence in one's capabilities, the ability to manage stress effectively, and the capacity to focus and block out distractions. Skills such as critical thinking, decision-making, and conflict resolution are essential for success in any walk of life. Accomplishments are relevant honours, achievements or awards that are earned for exceeding average standards in either academics or works environment.

Some of the accomplishments are:

- Scholarships
- Honour Rolls
- Awards for specific activities or subjects
- Publications
- Volunteer related awards etc.
