

EVENT REPORT - 08**Girl Geeks 2****31st August 2019****Organized by****IEEE CS Chapter BMSIT&M****Coordinators:** Dr. Sunanda Dixit and Dr. Anjan Krishnamurthy**Total Number of Participants:** 63**Targeted Audience:** Students**Resource Persons:** Dr. Snehanshu Saha, Ms. Archana Mathur

About the event: The second session of the Girl Geeks Neural Network Workshop was conducted on 31st August 2019. Dr. Sunanda Dixit welcomed the guests and gave a brief introduction of Dr. Snehanshu, Chair, IEEE Computer Society Bangalore Chapter.

Dr. Snehanshu started from basic concepts of machine learning, which helped the students to understand the theoretical aspect of machine learning. Later Dr. Sneanshu told about working of neural networks from scratch. Students showed utmost interest and got all their doubts cleared. The session was followed by a coffee break, post which students were given hands-on experience on neural networks. Mrs. Archana guided the students to implement a neural network from scratch without using library files. Patient explanation by the speakers helped the students to learn the complex concepts quickly.
