

B M S Institute of Technology & Management Yelahanka, Bengaluru-560064. Department of Computer Science & Engineering

Parent Teacher Meeting Even Semester 2021-22 2nd Semester 'A', 'B' & 'C' Sections

The meeting was scheduled on 23/07/2022 at 10:30 AM in CSE Seminar Hall, 4th Floor, BSN Block. Around 20 parents were present for the meeting along with the teachers.

Points Discussed:

1. Dr. Thippeswamy G, Professor and HOD, welcomed all the parents to the meeting and presented the following to the parents,
 - ✓ Institution and Department – Vision and Mission
 - ✓ Information about the department including faculty details, student details and department accomplishments like NBA, NAAC, NIRF Ranking and Autonomous Status
 - ✓ Faculty Achievements/Awards/Recognitions
 - ✓ Best Practices in the department including PBL, Proctor System, Open day, Tech Transform, Open courses and MOOCs.
 - ✓ Placements and Internship
2. Dr. Anil G N, Professor and Dean-Academics informed the parents about AEC courses, open courses, minor degree and higher education council facility.
3. Feedback was collected from parents by means of a hardcopy feedback form.
4. The following were the views / suggestions / feedback put forth by parents.

- ✓ Parents requested for extra support classes for their wards as they had missed few classes because of NCC camp. HOD assured that in case of any extra help required in any of the subjects, a request may be submitted by the student, and tutorial / remedial classes for the same will be conducted.
- ✓ Parents suggested that more of practical and hands-on session be included in the curriculum. HOD informed about the TLP followed in C programming integrated course and few other subject laboratories in first year.
- ✓ Parents wanted to know about how students will be exposed to various domains during the 4 years program. HOD informed parents about NEP recommendations and details about visit to GKVK campus to know more about agriculture sector. HOD also informed that apart from these kinds of visits, domain knowledge will be gained through internships, projects and PBL
- ✓ Parents wanted to know about SGPA and CGPA calculation. Details of the same was shared with parents.
- ✓ Parents wanted to know about placement and internship opportunities. Prof. Rajesh gave the placement statistics of the department. The lowest, average, and highest package details were shared along with the list of companies which visited during the last academic year. HOD informed the support of placement and training department in getting internships. He further emphasized the importance of MOOCS for doing internships.
- ✓ Parents wanted to know whether any of the foreign languages or certification courses are included in the curriculum. HOD informed that foreign languages would be need based and will be included as part of open course if necessary. Also, certification courses based on the needs of industry are being designed at the institute level.
- ✓ Parents wanted to know about industry institute interaction. HOD gave the details of industry experts involvement in framing the syllabus and further ratification in BOS and AC. He also mentioned about involvement of industry personnel in delivering expert talks, alumni talk, project-based learning, internships, MOU with companies and industry supported labs in the department. Dr. Sunanda dixit gave details about IEEE society programs and expert talks conducted under IEEE student chapter. Details related to girls' geeks program including expert talks on cloud computing, neural networks and deep learning was shared. Prof. Vishakha Yadav explained the importance of project-based learning and gave the details of project-based learning.
- ✓ Parents wanted to know about how public speaking is taken care of. HOD informed about seminars, PBL presentations and open day conducted in the department.

- ✓ Parents wanted to know about how the curriculum for mathematics is designed for CSE students. HOD informed that the syllabus for mathematics is done by mathematics professor in consultation with CSE professors.
 - ✓ Parents wanted to know if any medical science subjects are included in the curriculum. HOD informed that computational biology / biology for engineers subject is introduced in the curriculum to understand the problems of health sector. Also, Dr. Sunandadixit informed that subjects like bio-informatics are included as electives.
 - ✓ Parents requested for separate logins for GNUMS ERP. Parents complained that they did not receive SMS of attendance / marks after first internal test.
 - ✓ Parents requested for change in message format of attendance status sent to them. Instead of attendance percentage, they requested for “Number of classes attended / total number of classes conducted”. Further they requested for these details to be sent daily or atleast once in a week. Along with SMS they requested the details to be sent through email.
 - ✓ Parents requested for smart transport system with a WhatsApp group and use of latest technology to locate college bus.
 - ✓ Parents are happy with the classes and appreciated the efforts put forth by faculty. Parents are also happy with the proctorial system of monitoring and supervising the students’ progress
 - ✓ Parents are happy with the support functions like transport, canteen, hostel, library, internet, and sports. Parents are happy with the campus placement service provide in the college.
 - ✓ Parents opined that HOD and Faculty patiently listened to the view / opinions / problems and replied with satisfactory solutions.
5. The meeting concluded with a thanking note to all the parents and staff for their valuable feedback and suggestions along with a high tea.
