**THE FIRST YEAR INDUCTION PROGRAM 2018**

## Preface

This volume presents the proceedings of the first year induction program 2018. This program is dedicated to the orientation of the first year students entering the institution with diverse thoughts, backgrounds and preparations. This is important to help them adjust to the new environment and inculcate in them the ethos of the institution with a sense of larger purpose.

Precious little is done by Department of Electronics and Communication, BMSIT by conducting a 3-week long induction program for the UG students entering the institution, right at the start and in par with the directions from the Visveswaraya Technological university, Belgaum. This volume contains summary of the events held during the induction program from 13<sup>th</sup> August to 31<sup>st</sup> August 2018. Each day two to three activities were planned to orient the students. The important highlights of the program include invited talks on universal human values, alumni interaction, creative arts, local area visit, literary activities, sports, talent hunt, ice breaking and thought for the day sessions. We wish to thank all colleagues who have contributed to the induction program and to this volume with their activity summary. We hope that the induction program 2018 has helped the students comfortable in their new environment, created a bonding in the batch as well as between faculty and students, developed awareness, sensitivity and understanding of the self, people around them, society at large, and nature.

**The goals and objectives of first year induction program are:**

- To introduce students to college services which will support their educational and personal goals (ex. library, information technology, academic, sports and student services).
- To facilitate initial academic advisement, course selection, and registration.
- To familiarize students with the campus environment
- To create an atmosphere that minimizes anxiety, promotes positive attitudes, and stimulates an excitement for learning.
- To provide a welcoming atmosphere for students and families to meet faculty, staff, and continuing students, as well as other new students.
- To provide the families of new students comprehensive information about the academic and student service resources and programs.
