Industrial Visit for the academic year 2019-20

1. Visit to Raichur Thermal Power Plant on 4th September, 2019

An Industrial visit was organized by the Department of Electrical and Electronics Engineering to “Raichur Thermal Power Plant” for 5th semester students on 4th September, 2019. The students had an insight of the whole plant from the raw material (coal) procurement, processing, combustion to generation of electricity. The visit helped the students to understand the theoretical concepts of thermal power generation. The students were accompanied by Mr. Nagaraj D C and Mrs. Shilpa G.
