

3. Visit to GKVK on 12th November 2019

An industrial visit was arranged by the Department of Electrical and Electronics for 3rd semester students to GKVK on 12th November 2019. Mrs. Manjula B K, Mrs. SumaUmesh and Mr. Rajnikanth accompanied the 3rd sem students to the Industrial visit. Dr. Kumar Gouda explained about Biogas generation unit and its importance in electricity generation. The unit has Dairy farming, Pig rearing which produces sufficient manure for bio gas generation. The composition of bio gas was explained in brief and students visited and observed the setup of generation plant. Overall the students could get the practical knowledge of renewable energy sources and it was a wonderful experience for all of them.
