DEPARTMENT OF INFORMATION SCIENCE AND ENGINEERING

Achievements

VISION

Emerge as centre of learning in the field of information science & engineering with technical competency to serve the society.

MISSION

To provide excellent learning environment through balanced curriculum, best teaching methods, innovation, mentoring and industry institute interaction.

HoDs' Desk

I feel great pleasure to present yet another issue of our Department Magazine "THE EDIFICE" Vol 1 Issue 9 (Jan – June 2022).

THE EDIFICE, is a platform where all the department activities are brought under one folder. This half yearly magazine showcases active involvement of our students in various creative events and hidden talents of our aspiring students. It also includes the dedicated teamwork put in by all our faculties in teaching learning process and faculty achievements like patents, expert talks, publication and research & consultancy. I congratulate the

entire editorial team for their effort in bringing out "THE EDIFICE" in a very innovative way.

1. Topic	: Data Science
Speaker	: Mr.GirishBabu CN, Assistant Professor
Venue	: RRIT Bengaluru.

Session chair:

01. Dr. Narasimha Murthy M S , Assistant Professor, Dept. of ISE was a Session Chair at 8th International Conference on Advanced Computing and Communication Systems (ICACCS-2022) held during 25.03.2022 and 26.03.2022 at Sri. Eshwar College of Engineering, Coimbatore, Tamil Nadu, India.

02. Dr. Shoba M, Associate Professor, was invited as Session Chair for 4th Virtual International Conference on "Advances in Computing and Information Technology", REVA University, Bengaluru on May 17th & 18th 2022.

Expert Lectures organized by Faculty

01. Career orientation Program was scheduled on April 22 at 11am for 6th semester students by Mr. Prasad Kumar and Team T I M E Education Bangalore Pvt Ltd. They addressed students about the opportunities after their four year of engineering degree. Students gave positive response

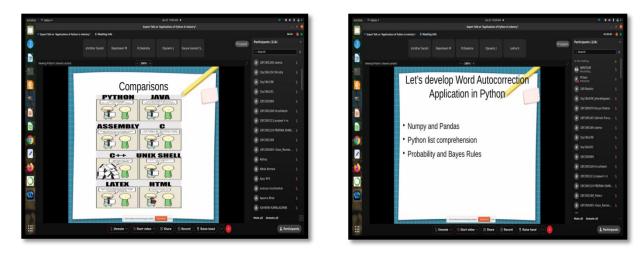

02. Talk is by Mrs. Arifa Khan, Founder and CEO of Himalaya Capital Exchange (HCX), a next generation stock exchange on the Blockchain. She is a blockchian researcher based in London and has been an advisor to the former chief minister of Andhra Pradesh. She is currently building Ethereum community in India and lobbying with the government on the behalf of the crypto community. A cryptocurrency is a digital currency designed to work as a medium of exchange through a computer network that is not reliant on any central authority, such as government and bank, to upload or maintain it. The increasing in popularity of crypto currencies has led to a significant raising the number of crypto currency exchanges in India. Cryptocurrency exchanges simply act as a platform for buying and selling digital currencies and exchanging them for fiat currencies such as the Indian rupee or the U.S. dollar (USD).

Blockchain and Crypto on 01.07.2022 at ISE Seminar Hall

03. Python has wide applications in various domains like machine learning & artificial intelligence. With this regard an expert talk was organized by the department of Information Science and Technology on 22nd January 2022. The talk helped students to get insights of the cutting-edge of technology. Expert for the talk was Mr. Pritam Kulkarni, Principal Product Engineer at Randstad RiseSmart, Pune Maharashtra. His professional skills are in the area of NLP, Linux, Design Patterns, Scikit-Learn, and Python. The talk was predominantly arranged for our 5th Semester students. Total 120 students benefited from the talk. Mr. Pritam discussed following points with the students:

- 1. Solving complex problems using python programming language.
- 2. Importance of python in evolving technologies.
- 3. Autcorrect application was designed and developed as a part of the talk.

04. Mr. Shankar A, an alumnus of BMSIT&M, he is a passionate fitness enthusiast and also is in the fitness industry from 6 years. He is well versed in sports nutrition, general nutrition and muscle building. Apart from following his passion he also carries experience o f11+ years in IT industry as software professional. His session on "Fitness mantra for good health" was very interesting and students learnt many thing about everyday lifestyle by interacting with speaker during the session between 10.00AM

Project Based Learning

Project Based

Learning

03

Department of Information Science and Engineering, BMS INSTITUTE OF TECHNOLOGY AND MANAGEMENT, Avalahalli, Yelahanka, Bengaluru organized a PBL Project Review on 7th and 8th Jan 2022 to exhibit the project work carried out by the students of the III and V semester. The projects exhibited the student's ability to apply their learning to solve real-world problems. This semester around 109 PBL batches chose the simulation and Software projects (because of lockdown) which students have taken up few challenges and realized the same with the help of peer groups and faculty mentors. Intensive review of projects is carried out by the faculty members. These projects were evaluated by internal committee on various rubrics. Selected best 5 projects presented their work to jury from industry.
