DEPARTMENT OF INFORMATION
SCIENCE AND ENGINEERING

VISION

Emerge as centre of learning in the field of information science & engineering with technical competency to serve the society.

MISSION

To provide excellent learning environment through balanced curriculum, best teaching methods, innovation, mentoring and industry institute interaction.

HoDs' Desk

The Department of Information Science and Engineering started in the Year 2010 with an approved intake of 60 and enhanced to 120 from the academic year 2018-19. Currently intake of ISE Department is 180 from the academic year 2019-20. ISE Program is accredited by NBA and it is valid

upto 30th June, 2021. The department has been imparting quality education through Outcome based education to the students with the intension of making them intellectually, ethically and academically strong to meet the challenges in the field of Information Technology. The department has 13 qualified and professionally dedicated faculty members. The department has three Doctorates and 09 are pursuing doctoral degree. The faculty members are actively involved in Teaching, Research and Outreach activities and published nearly 195 research articles in various National, International Conferences and Journals.
