Industrial Visits Organized

Sl. Number	Industry/ Organisation Details	Academic year	Participants
1	Cardiac Design labs	2024-25	II Semester
2	GE Vernova - LM Wind Power		II Semester
3	Atal Skill Lab	2023-24	I Semester
4	Atal Skill Lab		II Semester
5	M/s. Alfahive	2022-23	III Semester
6	LTIMindtree		III Semester

Cardiac Design Labs

An industrial visit was organized for the II Semester MCA students to Cardiac Design Labs, located on Whitefield Main Road, Palm Meadows, Mahadevapura, Bengaluru. To ensure effective interaction and meaningful learning, the visit was conducted in two batches:

- Section A – 06.06.2025
- Section B – 13.06.2025

Students from both Section A and Section B actively participated in this insightful industry exposure program. The visit was coordinated by Dr. Shivakumara T, Industrial Visit Coordinator and Assistant Professor, Department of MCA, along with faculty members who accompanied the students. The visit provided valuable industry exposure and helped students gain practical insights into real-world professional environments.

Section A and Section B in Cardiac Lab

GE Vernova – LM Wind Power

An industrial visit was organized on 23.08.2024 for II Semester MCA students to GE Vernova – LM Wind Power. The MCA Department team comprising Dr. M. Sridevi, Dr. Shivakumara T, Prof. Venkatesh A, and Prof. Ashwitha K accompanied the students.

During the visit, students interacted with business leaders and industry professionals and gained valuable insights into interdisciplinary domains such as Data Analysis, Internet of Things (IoT), Enterprise Resource Planning (ERP), Product Data Management (PDM), company web technologies, and Cybersecurity.

The visit provided practical exposure to real-world industrial applications and opened promising opportunities for internships and potential recruitment, thereby strengthening industry-academia collaboration.

Atal Skill Lab – VIAT, Muddenahalli

An industrial visit to Atal Skill Lab, VIAT, Muddenahalli was organized by the Department of MCA for the First Semester students on 16.02.2023. A total of 56 students participated in the visit. The students were accompanied by Prof. Venkatesh A, Assistant Professor; Prof. Reshma C R, Assistant Professor; and Prof. Dwarakanath, Assistant Professor.

The visit provided students with practical exposure to skill-based training facilities and industry-oriented learning practices. During the session, students actively interacted with the resource person, Dr. Veena, gaining valuable insights and hands-on knowledge.

M/s. Alfahive – Cyber Security Start-up

An industrial visit was organized on 08.03.2023 to M/s. Alfahive, Lavelle Road, Bengaluru, a Cyber Security start-up, for the students of III Semester MCA by the Department of MCA. A total of 47 students participated in the visit, accompanied by Dr. P. Ganesh and Prof. Shivakumara T.

M/s. Alfahive primarily focuses on cyber security assessment, cyber risk quantification, risk analysis, and risk management, helping organizations effectively mitigate cyber threats. During the visit, students had the opportunity to interact with industry professionals and discuss modern trends in the cyber security domain, along with various tools and techniques used to detect and prevent cyber attacks.

The visit served as a strong source of motivation for students, especially those who had chosen Cyber Security as their elective subject, by providing practical insights into real-world applications of their academic learning.
