BMS INSTITUTE OF TECHNOLOGY AND MANAGEMENT

Avalahalli, Doddaballapura Main Road, Bangalore – 560064

OPEN COURSE - DAILY REPORT
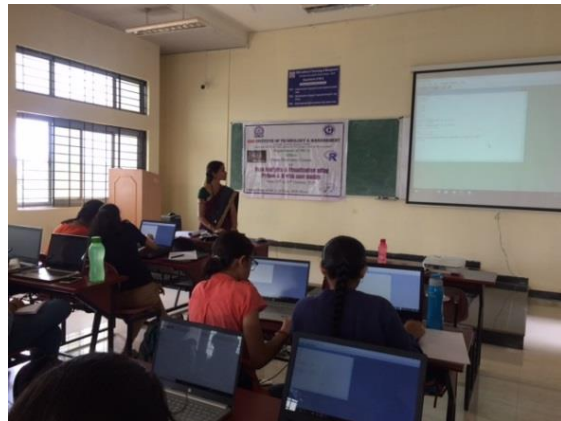

Date: 22-10-2019

Department	MCA
Name of the Open Course	Data Analytics & Visualization using Python and R with Case studies
Coordinator	Dr. Aparna K & Ms. M Sridevi
Total No. of Students	61

DESCRIPTION
The Day-1 sessions were completely handled by **Dr. Aparna K, Associate Professor & HoD of Department of MCA**. The session started with a presentation on Introduction on R Programming. The students were taught about R from the scratch including installation of R and RStudio software. The basic R programming was covered in the forenoon session and students were asked to execute simple programs using R. Some interesting data sets were considered for analysis in the afternoon session. Students were taught how to analyse the various data sets and arrive at interesting patterns.
