

BMS

INSTITUTE OF TECHNOLOGY AND MANAGEMENT

Avalahalli, Doddaballapur Main Road, Bengaluru – 560064

DEPARTMENT OF MECHANICAL ENGINEERING

Memorandum of Understanding

The department is constantly interacting with industry to conduct partial delivery of appropriate courses. This program helps to understand basics with newer technologies. This has enabled the institution to bridge the gap between industry and academia.

Sl. No.	Name of the company	Purpose
1	Federal Mogul	Industrial visits, Student projects and Research facilities utilization
2	National Design Research Forum (NDRF)	Organizing the conferences, internship for faculty and students
3	National Institute of Technology, Surathkal	Virtual laboratory, experiments conducted related to material testing lab and vibration design lab.
4	National Aero Space Laboratories (NAL)	PG - Student internship and research facilities utilization
5	Sandhar Technologies	Placement for students and internship
6	Volvo, Toyota Kirloskar BMW	Establishing the center of excellence, received engines and transmission
7	Peenya Industrial Association	Student internship and projects
8	Kshipra Technologies	Conduction of German language classes and research
9	Engineering Materials	Hands on training and placement
10	KPIT: Program for Academic Connect and Engagement (PACE)	Training and Placement
11	Centre of Excellence in Industrial Automation”.	Hands on training and placement
