### MoUs / Awards / Recognitions

1. MoUs signed with Police Training School, Thanisandra and BMSIT&M on 6th Feb 2025, Coordinated by Dr.Usha B A, Professor Dept. of CSE, BMSIT&M. This initiative helps in Serving police officials in training them in the area of Cyber Security and Computer related concepts. We thank the Management, Principal and entire Team BMSIT&M for the support and encouragement. The training event held at Thanisandra was successfully coordinated by the SPOC - Dr.Usha B A.

2. Dr. Sandra Dias, Assistant Professor, Department of Physics, received an Honorary Award from Karnataka Kraista Alpasankyataru Jagruthi Vedike on 11.01.2025.

### Events Conducted

1. Partial Delivery of the Course "Cyber Security" for the concepts on "Network Defence Tools and Digital Forensics" was held for III semester MCA students on 15.01.2025 and 01.02.2025. Coordinated by

sessions on Research Paper Writing, Methodologies in Research, Trends in Research at the Department of CSE Kishkinda University, Ballari from 13.02.2025 to 14.02.2025.

3. Dr. Usha B A, Professor Dept of CSE, BMSIT&M delivered the Invited talk on "Wireless Network Security, Security for TCP/IP Communication" on 08.02.2025. It was the National Initiative under the aegis of MeitY, Govt of India implemented as part of ISEA Program by CDAC Hyderabad.

4. Dr. Anitha V R, Associate Professor of ECE, BMS Institute of Technology and Management, Bangalore has given an Invited Technical talk on "Research Challenges in Antennas for Different Applications and Radiation Effects" in association with IIC, IETE, IEEE Student Branch, Department of Electronics and Communication Engineering, Sreenivasa Institute of Technology and Management Studies (SITAMS), Murukambattu, Chittoor on 07.02.2025.

5. Shimna Manoharan, Assistant Professor, Department of Civil Engineering, delivered a technical talk on "the transformative impact of Artificial Intelligence (AI) on the civil engineering industry" organised by IGS Student Chapter, Civil Engineering Department of Mar Baselios College of Engineering & Technology on 25.02. 2025. Almost 50 participants attended the session.

### Faculty Achievements

1. Prof Priyanka M R, Assistant Professor of CSE department has successfully completed the NPTEL SWAYAM MOOCs Course of 3 credits in July-Dec 2024 cycle on Accreditation and Ranking Systems with 68%.
2. Dr. Anitha V R, Associate Professor of ECE, BMS Institute of Technology and Management, Bangalore have been invited to visit the Microwave Tube Research and Development Centre (MTRDC) during 31.01.2025 to 01.02.2025. It is a part of the defence Research and Development Organization (DRDO) in the Ministry of Defence, Government of India. The Director Dr. S K Datta has given a warm welcome to the lab and visited all the labs where the tubes are being manufactured for Electronic Warfare and RADARs

3. Prof. Babu Naik Gugulothu, Assistant Professor, Department of EEE was the reviewer for the IEEE International Conference on “Next Generation Communication & Information Processing”; at Manipal Institute of Technology, Bengaluru, on 24.01.2025.
4. Multi-disciplinary Project titled "IOT-based Environmental Monitoring System with Threshold Mechanism for Smart Cities" mentored by Dr Rajesh Gopinath has won the 1st runner up prize at the 11th edition of the National Level Technical Project Exhibition (SRISHTI-2025) at Saintgits College of Engineering, Kottayam, Kerala, conducted during 24.02.2025 to 25.02.2025.

5. Dr. Sandra Dias, Assistant Professor, Department of Physics has done collaborative research with Bengaluru City University, guiding the final year M.Sc. Physics students for their project work.
6. Dr. Annamma Abraham, Professor, Department of Mathematics has been an Institutional protocol approval committee member, Manipal institute of technology, Bangalore as domain expert on 28.02.2025.

### Students Achievements

1. Mr. Kaushik Rawal and Mr. Anjan Kumar N, I semester MCA students, participated and won II place in the IT quiz event at the Aprameya 2025 Tech Fest held at Nitte Meenakshi Institute of Technology, Bengaluru on 06.02.2025 and 07.02.2025.

### Anveshana Samsung National Science and Engineering Fair 2025

Team Spatika from our college participated in Anveshana Samsung National Science and Engineering Fair 2025 the project titled “smart automated feeding and environmental monitoring system for sericulture” on 17.02.2025 to 19.02.2025 and they won the prize money of Rs. 30,000/- (Third Place). at Shikshaka Sadana, Bengaluru. The student’s team as follows: Mr. Tarun Patil – 1BY23EC113, Mr. Sri Srujan Hari T – 1BY23EC106, Mr. Nitish K S – 1BY23EC052, Mr. Harshitha K V – 1BY23EC049. The prototype was developed with the facilities provided by Aarohan Hardware Innovation Lab.

### International Business Competition

Team Aigle selected among the Top 12 startups at the **Meraki 14th Edition – International Business Competition 2025**, held in New Delhi on 15.02.2025. Competing among 800+ entries, they showcased their innovative idea and gained valuable insights from industry experts. The experience, under the mentorship of Prof. Mahalakshmi S and with financial support from BICEP, has strengthened their vision for growth. While they did not secure a winning position, the learnings will help refine their startup.

### Internal Activities:

#### Women Startup Program:

BICEP incubate **DostBin Solutions** participated in the **NSRCEL Women Startup Program** at **IIM Bangalore** and has been selected for **Cohort 5**, receiving mentorship from NSRCEL. The **Incubation Phase** of this program is a specialized **six-month initiative** designed to ensure the survival and sustainability of ventures. It provides tailored support, resources, and mentorship to help startups refine their products, develop scalable prototypes, and achieve a strong **Product-Market Fit**, enabling long-term growth and success. The **Women Startup Program – Cohort 5**, is set to launch on **19.03.2025**.

#### BICEP expands with Three New Incubates:

BICEP (BMS Innovation Centre and Entrepreneurship Park) continues to grow as a thriving hub for startups. Initially incubating four companies, BICEP has now expanded to house six innovative startups, fostering entrepreneurship and cutting-edge solutions across various domains.

This growth reflects BICEP's commitment to supporting young entrepreneurs, technological advancements, and sustainable business ideas. With continued mentorship, infrastructure, and networking opportunities, BICEP is empowering startups to scale and make a significant impact.

#### The three new incubates are:

1. Aviratha Digital Labs – Specializing in AR, VR, IoT, and AI.
2. Margrooms Private limited – Focused on restaurant marketing solutions
3. Prolific Score - A fintech startup revolutionizing financial services.

#### Fastr App Joins BICEP as pre-incubate for Mentorship and Growth

Fastr App, a hyperlocal on-demand service platform that guarantees professional home services, is set to advance under the mentorship of Prof. S. Mahalakshmi from the Department of ISE. A meeting was conducted on 18.02.2025 at BICEP, where the Fastr Team, including Mr. Pratik Sable (Co-founder), Dhruv Joshi, and Swayam Bajpai, discussed their startup journey and growth strategies.

With the guidance and support from BICEP, Fastr App aims to refine its business model, enhance service efficiency, and scale its operations effectively

### Sports Events

The Sports Day was held on 28.02.2025 at BMSIT&M campus and was organized by the MBA Department. The faculty coordinator for the event was Prof. Channakeshava H C. Competitions in Cricket, Volleyball (Men) and Throwball (Girls) saw enthusiastic participation by all the students of MBA. The 3rd Semester A Section won Cricket, 3rd Semester B Section claimed Volleyball, and the 1st Semester A Section triumphed

### Club Activities

#### 1. Group Discussion

The Department of MBA organized Group Discussion as a part of club activity session on 04.02.2025. The main purpose of the event was to enhance students' critical thinking, communication, and teamwork abilities. The group discussion provided an interactive platform for students to engage in intellectual conversations, express their viewpoints, and refine their argumentation skills.

#### 2. Debate

The Department of MBA organized Debate competition as a part of club activity session on 25.02.2025. The main purpose of the event was to encourage intellectual discussions on contemporary and socially relevant issues. The debate competition was an engaging and enriching experience, sparking intellectual curiosity and meaningful conversations among students.
