BMS

INSTITUTE OF TECHNOLOGY AND MANAGEMENT

Vision

To emerge as one of the finest technical institutions of higher learning, to develop engineering professionals who are technically competent, ethical and environment friendly for betterment of the society.

Mission

Accomplish stimulating learning environment through high quality academic instruction, innovation and industry-institute interface.

Memorandum of Understanding

- The Department of AI&ML and the Department of CSBS initiated a Memorandum of Understanding (MoU) with Tata Consultancy Services in collaboration with our institute. This partnership aims to develop and design industry-specific, application-oriented courses, provide industry-oriented problem statements for project work, and offer placement assistance. Prof. Sanjay M Belgaonkar, Assistant Professor, Department of AI & ML, coordinated this event.

Faculty Achievements

Faculty as Resource Person

- Dr. Usha B.A, Professor, Department of ISE, delivered a talk on Cyber Security to cadets of the Karnataka Battalion NCC-500 at Manipal University on June 12, 2024.
- Dr. Swetha M.S, Assistant Professor, Department of ISE, served as a resource person for a one-day workshop on "Hands-on Cloud Virtualization and Google Cloud Platform" held on June 3, 2024.

Faculty Awards

- Dr. Sandhya Devi N. K, a faculty member in the English, Humanities, and Social Sciences Department, received the "Young Researcher's Award" from the International Journal of Innovative Research & Growth (IJIRG). This award, presented in association with the IQAC Cell of Govt. Vivekanand PG College M.P., KPS Science Academy M.P., and Kahaar magazine U.P., India, was supported by Ferrenzo India Pvt. Ltd M.P. and Pointer Publishers Jaipur, Rajasthan, India, on June 16, 2024.

Faculty Achievements

- Dr. Anitha V.R, Associate Professor, Department of Electronics and Communication Engineering, has been selected as a Technical Committee Member for the IEEE International Conference on SPACE (Space, Aerospace, and Defence) 2024.
- Dr. Anitha V.R, Associate Professor, Department of Electronics and Communication Engineering, has been appointed as Conference Chair for the International Congress on Wireless and Optical Communication 2024 (ICWOC 2024) in Bangkok, Kingdom of Thailand.
- Dr. Usha B.A, Professor, Department of ISE, was recognized as an External Jury Member for the International Level Women's Centric Hackathon. This event was organized by the Google Developer Students Club and Women TechMakers Club from the School of Computer Science and Engineering at REVA University on June 14, 2024.

Students Achievements

- Vishal Prajwal M, Sumukha G K, and Ganeshdarshan Venkatraman Bhat, students from the AI&ML Department, won 1st prize in the "48 Hours Hackathon" held at Atria Institute of Technology from May 24 to May 26, 2024.
- The team comprising Dheeraj T and Madura G, final year students of the Department of Electrical and Electronics Engineering, guided by Prof. H. D. Kattimani, won first place in the technical paper presentation for their paper titled "NextGen Insulin Case", at Gopalan College of Engineering on June 12, 2024. Additionally, the same team also secured first place in the Intercollegiate Project Exhibition at the same event.

Events Conducted

- Under the guidance of Dr. Kantharaju V, NSS Program Coordinator and Assistant Professor, Department of AI&ML, students participated in the Shristi event, organized in association with VTU, AICTE, VSS Trust, AVP, and Yuvaka Sangha at Atria Institute of Technology. The Srishti Innovation Exchange is a visionary initiative that provides a platform for creative students and budding scientists.
- Students from the Department of AI&ML volunteered to organize various activities, including a seminar, Hackathon, Roborace, and Cadman, and enlighten people about Yuvaka Sangha. This event, associated with AICTE points and initiated by NSS, occurred from May 24 to May 26, 2024.
- A training program on ESurveying Software was held for sixth-semester Civil Engineering students from June 18 to June 22, 2024, facilitated under the

MOU with M/s. Medini. The coordination of this activity was managed by Dr. Chandrashekarappa A. and Dr. Marsh M. Bandi, Assistant Professors, along with Mr. Sudhakar G., Assistant Instructor, from the Department of Civil Engineering at BMS Institute of Technology and Management.

- A Panel Discussion on Curriculum Development for Industrial Requirements (15.06.2024) – Industrial Experts at Board Room, Admin Block, BMSIT&M.

- The ARVR Hub faculty and students at BMS Institute of Technology and Management, organized a ten-day outreach activity and training program for students from Nagarjuna College of Management Studies at our campus, held from June 1 to June 13, 2024.

- The Department of Computer Science and Engineering (CSE) hosted a student workshop via our AR VR Hub on June 21, 2024, focusing on creating filters using MetaSpark Studio for AR applications.

- The "Programming Essentials in Python" course, part of the CISCO-Centre of Excellence, was conducted from June 19 to June 21, 2024. Mr. Vijaya Murugan from ICT Academy, Chennai, served as the resource person. 106 students registered for the event, representing various departments (CSE, ISE, ECT, ETE, Mech, Civil, AI&ML, and MCA) and all semesters (2nd, 4th, and 6th). Dr. HemaMalini B H, Associate Professor in the Department of CSE, coordinated the event.

- The Department of Electrical and Electronics Engineering arranged an expert lecture titled "Introduction to PV & BESS Hybrid Systems" for 4th semester students on June 28, 2024. Mr. Nataraja M S, Head of the Technical Department at SUNGROW Private Limited, Bengaluru, delivered the lecture. He discussed advancements in battery technology, smart grid integration, and renewable energy policies related to solar photovoltaics. The coordination of this activity was handled by Dr. Prashanth N A and Prof. Vikram Chekuri.

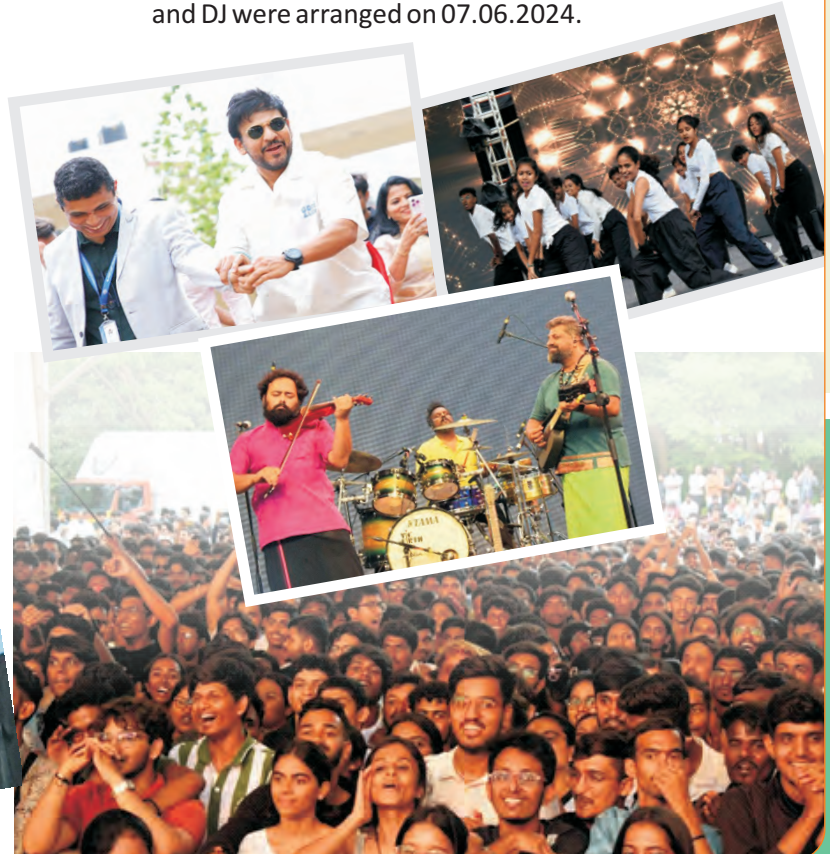

Parents Teachers Meeting

- The First-Year Parents-Teachers Meeting was held on June 1, 2024, in a hybrid format. Approximately 75 parents attended the meeting in person (offline mode). The Parents-Teachers Meetings for the IV semester and VI semester were scheduled for June 15, 2024, also in hybrid mode. During these meetings, Principal Dr. Sanjay H A addressed the parents. Various concerns raised by parents regarding examinations, academics, and placements were addressed by the Principal, Dean of Academics, and Dean of Career Guidance.

Utsaha Vaibhava 2024

- Utsaha Vaibhava-2024 is the Annual Techno-Cultural fest that was scheduled on 06.06.2024 and 07.06.2024. Mr. Akul Balaji, Actor, television host, and dancer and Ms. Saanvi Shetty, Singer, and television fame were the chief guests for the inauguration on 06.06.2024. Students from various colleges participated in different events and prizes were distributed for winners. Raghu Dixit's concert and DJ were arranged on 07.06.2024.

Industrial Visits

- The Bureau of Standards, in collaboration with BMS Institute of Technology and Management, organized an educational visit to Jindal Aluminium Pvt Ltd, Dobaspet. Approximately 25 students had the opportunity to gain insights into the processes of aluminum rolling and extrusions. The visit was facilitated by Dr. H. K. Govindaraju, Head of the Department of Mechanical Engineering, along with Dr. O. Gurumurthy, Dr. Madhu M.C., Dr. Sripad Diwakar, and Mr. Srinivas, the instructor.

Departmental Professional and Technical Activities

- The Department of Physical Education and Sports, in collaboration with the NCC and NSS units of the institute, organized the tenth International Yoga Day on June 21, 2024. Dr. Sanjay H.A, Principal, addressed the participants and emphasized the significance of yoga.

- A skill enhancement programme was organized by the department of ECE on 1st June 2024 8:30 AM-4:30 PM on "Signal Processing and Communication with MATLAB & SIMULINK". Around 60 fourth-semester students of ECE took part in the programme. Mr. Rakshit B.S, Senior Application Engineer, CoreEL Technologies was the resource person for the session and Dr. Anna Merine George from ECE department coordinated the programme.

- The Department of Electrical and Electronics Engineering organized a five-day workshop on "IoT and Its Applications" for 6th-semester students as part of the Employability Enhancement course. The workshop, held from June 15, 2024, to June 29, 2024, was conducted in collaboration with Karunadu Technologies Private Limited, Bengaluru. The resource person, Mr. Mahesh Deginal, MD and CEO, led the training sessions. The workshop included practical training on various IoT applications, such as turning on an LED using a push button. Participants used components like a relay switch, Arduino, 5V power supply, and jumper wires. The program also taught how to display text on an LCD screen, including the differentiation between permanent and temporary text using the Liquid Crystal library. Additionally, the workshop covered an automatic street light project using an LDR sensor and concluded with training on the DHT11 humidity sensor.

- On June 22, 2024, Ms. Najwa Riyaz, Intelligent Process Automation Manager at Novigo Solutions, Bengaluru, conducted an online orientation session on "UiPath" registration and the course road map for the faculty members of the Department of MCA.

International Journal/ Conference Publication

Sports Events

- The BMSIT&M Men's Football team participated in the VTU Bengaluru North Division Football Men's Competition 2024-25, organized by NMIT, Bengaluru, on June 5th and 6th, 2024.
- The BMSIT&M Men's Cross Country team participated in the VTU State Level Cross Country Men's Competition 2024-25, organized by BCE, Shravanabelagola, on June 15th and 16th, 2024.

- "SPARDOTSAHA 2024" Inter-Departmental Sports Competitions were conducted for our college students.
- The BMSIT&M Men's and Women's Swimming teams participated in the VTU State Level Swimming Competition 2024-25, organized by RVITM, Bengaluru, on June 19th and 20th, 2024.
- The BMSIT&M Men's and Women's Taekwondo teams participated in the VTU State Level Taekwondo Competition 2024-25, organized by GAT, Bengaluru, on June 21st and 22nd, 2024.
- The "SPARDOTSAHA 2024" Inter-Departmental Sports Competitions Valedictory function was conducted on June 24th, 2024.
- The BMSIT&M Men's and Women's Athletic teams participated in the 25th VTU State Level Athletic Meet 2023-24, organized by the VTU Regional Office, Mysuru, from June 26th to 29th, 2024.

VTU Cash Award

- We are pleased to inform you that VTU has awarded our college a cash prize of 1 lakh for the year 2022-23. This award is based on the points earned through our teams' participation and achievements. It is part of VTU's Scheme for the Promotion of Sports to Institutions and is given once every five years to ten colleges annually.

NCC Activities

Pre-IGCThal Sainik Camp

- A total of eight cadets were selected for the Pre IGC Thal Sainik Camp-1, held at Brindavan College of Engineering and organized by 8 Kar Bn NCC, from June 14th to June 23rd, 2024. Of the selected cadets, five were chosen for Map Reading (MR), 2 for Judging Distance & Field Signals (JD/FS), and one for firing.

Combined Annual Training Camp-2

- A total of 22 cadets attended the Combined Annual Training Camp-2, held at REVA University, Bengaluru, and organized by 39 Kar Bn NCC, from June 25th to July 4th, 2024. The cadets actively participated in various activities, including Drill Competition, Group Dance, Quiz Competition, and Debate Competition. They achieved 1st place in the Group Dance and 2nd place in the Quiz Competition.

BICEP Activities

Inter Institute Competitions

Innovation Gauntlet - Squid Game Edition: The Innovation Gauntlet - Squid Game Edition took place on June 25th at BS Narayan Auditorium, organized by BICEP – Innovation. It aimed to foster innovation among participants, providing a platform to showcase aptitude skills, business concepts, and innovative thinking. The event featured three rounds:

Round 1 - Green Light, Red Light: A paper-based aptitude round testing skills on various topics, including Squid Games trivia.

Round 2 - Tech Dalgona: Participants

demonstrated strategic thinking and decision-making skills by managing time effectively and solving tasks quickly using search engines.

Round 3 - Trust Your Instincts: This round focused on decision-making under pressure, assessing the potential of companies and making real-time bidding decisions.

This event highlighted innovation, strategic thinking, and entrepreneurial skills among its participants, contributing to a dynamic showcase of talent and creativity both by participants and organizing teams of students. The Table-1 given the details of the Prize/Awards.

Table-1

Sl No.	Prize awarded	Amount	Names	Department
1	1 st prize	Rs 5,000/ -	Sai Chetana Reddy NS, Rakshita M Ali, Sakshi Nittukar, Srushti Shingri	CSE
2	2 nd prize	Rs. 3,000/ -	Sarvesh Patil, Samarth Joshi, Tanav Shivkumar, and Samarth Vasisht	AIML
3	3 rd place	Rs. 2,000/ -	Kritesh Yadav, Mayur, Anish S Land, and Aditya Raj	AIML & CSE
4	Consolation	Rs. 1,000/ -	Shankar Reddy, Tharun Susri, and Mrinal Midha.	ETE

Summer of Projects: Aarohan Lab is designed to support students and faculty in their innovative multidisciplinary projects by providing workspace, LCD projectors, blackboards, and working tables. The Robotics and IoT track held its second session on May 20, 2024, with 15 participants mentored by 17 IEEE volunteers. During Stage 2, the team focused on writing and refining code for the Arduino to interpret IR sensor data and control motor movements, paying meticulous attention to detail. The students modified the robots for robo-soccer by enhancing the chassis for better agility

and reprogramming the Arduino with specialized algorithms. They rigorously tested the robots in simulated matches, successfully transforming them into competitive robo-soccer players. The Robo-Soccer competition, held on June 29, 2024, was a resounding success, featuring enthusiastic student participation and innovative robotic designs. The event showcased the participants' commitment and ingenuity, making it a memorable and rewarding experience for all involved. The Table-2 given the details of the Prize/Awards.

Table-2

SI No.	Prize awarded	Amount	Names	Department
1	1 st prize	Rs 2,000/-	Alan Biju, Harshitha K V, Shruthi A	ECE
2	2 nd prize	Rs.1,000/-	Keerthi Narayan M V, Ajay D Bhat, Sri Srujan Hari T, Aniruddh M	ISE, EEE & ECE
3	Consolation	Rs. 1,500/-	Hemanth and Alan Biju (active participants)	EEE & ECE

Visitors to BICEP for possible collaborations

External Collaboration with Brain Box Catalysts: Kaushik Bose, founder of Brain Box Catalysts, visited BICEP on June 10, 2024, to explore the incubation facilities and potential collaboration opportunities. During his visit, he shared his profile, emphasizing his expertise in podcasting, digital marketing, and personal branding. He also highlighted his experience in assisting startups with Go-to-Market (GTM) strategies and overall strategy building. Kaushik mentioned his affiliations with Wadhvani Foundation, Indian Angel Network, and

NASSCOM Deep Tech, which he plans to leverage in collaboration with BICEP.

Kaushik Bose and Arpita Bose expressed their interest in partnering with BICEP to enhance social media and outreach programs for the incubatees. They suggested that creating video reels on Instagram and posting quotes on LinkedIn could boost social media engagement. Additionally, Kaushik recommended accelerating the transformation of the Drone Club into a revenue-generating entity by developing service offerings and other business models.

Internal Collaboration with BIG foundation: On June 13th, Mr. Karan Kumar, a Board of Governors member, along with Dr. Suma, Dean of Innovation at BMSCE, and Dr. Abhishek Appaji, Head of Research and Consultancy at BMSCE, visited to address Deans, HoDs, and faculty members regarding the BIG foundation, a section 8 company. They emphasized the opportunities and facilities available to students and faculty members. During their visit to BICEP, they commended the ecosystem and support provided to incubating and pre-incubating student teams. They engaged with eight student teams to learn about their startup ideas and progress. Their visit also included an appreciation of the hardware innovation laboratory, Aarohan, and its affiliated Centers of Excellence (CoEs).

Aarohan Hardware Innovation Lab

The Aarohan Hardware Innovation Lab offers students an immersive, hands-on experience through involvement in a variety of projects. This initiative provides essential components and tools for IEEE collaborative events, Summer of Projects, IoT projects, and other course-related projects under AAT (2nd Semester). Currently, 32 teams are benefiting from the Aarohan lab, with participation from various departments as given in the table-3.

Table-3

SI No.	Departments	No of Projects
1	ECE	14
2	AI&ML	2
3	CSE	1
4	ETE	5
5	ISE	6
6	MCA	4

Some Representatives from Tata Consultancy Services (TCS) visited BICEP and praised the innovation and entrepreneurship ecosystem, including the Aarohan Hardware Innovation Lab and other student facilities. They observed the incubated companies and hardware projects at BICEP and Aarohan, respectively. During their visit, one of the incubators, Dostbin, demonstrated their MVP (minimum viable product), which received positive feedback from the TCS team. They expressed interest in collaborating to develop industry-specific, application-oriented courses, providing industry-oriented problem statements for student projects, and offering placement assistance at the institute level.

Beyond Campus

International MSME Day: The International MSME Day, observed annually on June 27th, holds significant importance as it acknowledges the crucial role of MSMEs in fostering sustainable development. This day underscores how MSMEs drive economic growth, generate employment, and promote innovation. At BMSCE, the Indian Economic Trade Organization organized the International MSME Day, showcasing entrepreneurship in the global public interest with a commitment to high governance standards. The event featured panel discussions with distinguished members such as Lena Backer (Chairperson, India EU Trade Council, Sweden), Ratna Prabha (IAS, Former Chief Secretary, Govt of Karnataka), Murtuza Arsiwala (Hon. Trade Commissioner for Investment, GCC), Vinayak Nath (Co-Chair, Investment Task Force Startup G20), and Amar Singh Thakur (Chairman, India SADC Trade Council), alongside trade commissioners from

various countries. Dr. Seema Singh (Dean I & E) and Dr. Manjunath T N (Dean C G) participated in this event to gain valuable insights into current MSME developments across different nations.

Indovation Summit: The Indovation Summit at Cambridge institute of technology was held on 27th June 2024. It was inaugurated by Mr. Sam Ravikumar from AICTE, Karnataka chapter, along with faculty members of institutes across Bengaluru. Dr. Madhu M.C., from BMSIT&M represented BICEP- Innovation. The program was coordinated by Dr. Muralidhar Reddy, IIC Chief Coordinator. Deliberations on IIC event conduction and issues faced by Faculty Innovation Coordinators were discussed. Eleven ongoing innovative project list from BICEP was submitted as per their requirements which may secure financial help from IIC.

Placement Activities

2024 Batch Final Placements: The placement season for the 2024 Batch commenced on 01.07.2023. As on 30.06.2024, total 892 placement offers have been placed and given internship offers.

Events drive Organized

M/s Schueco: 2024 Batch Schueco Campus Drive on 03.06.2024.

International Yoga Day

- The Department of Physical Education and Sports, in collaboration with the NCC and NSS units of the institute, organized the tenth International Yoga Day on June 21, 2024. Dr. Sanjay H A, Principal, addressed the participants and emphasized the significance of yoga.

Higher Education Council Events

UK University fair

UK Education Fair was organized on 2nd June 2024, is an exclusive event designed to connect aspiring students with top universities from all the countries of the United Kingdom i.e., England, Scotland, Wales and Northern Ireland. This fair provided a unique opportunity for students, parents, and educators to meet representatives from various UK universities, explore academic programs, and learn about the benefits of studying in the UK.

Event Highlights

- **Meet University Representatives:** Interact directly with admissions officers and faculty members from leading UK universities. Gain insights into the application process, course offerings, and campus life.
- **Information Sessions:** Informative seminars and presentations on a wide range of topics including course structures, scholarship opportunities, visa requirements, and student life in the UK.
- **Personalized Counseling:** One-on-one counseling sessions with university representatives to discuss your academic goals, program interests, and career aspirations.
- **Scholarship Opportunities:** Discover various scholarships and financial aid options available for international students to support their education in the UK.

- **Application Assistance:** Get guidance on the application process, including tips on writing personal statements, preparing for interviews, and meeting admission deadlines.
- **Networking Opportunities:** Connect with alumni and current students to hear firsthand experiences about studying and living in the UK.

A group of 38 students, accompanied by their adviser, Ms. Shama H M from BMSIT&M, attended the event to explore opportunities for studying in the UK.
