Vision

To emerge as one of the finest technical institutions of higher learning, to develop engineering professionals who are technically competent, ethical and environment friendly for betterment of the society.

Mission

Accomplish stimulating learning environment through high quality academic instruction, innovation and industry-institute interface.

Memorandum of Understanding

B M S Institute of Technology and Management (BMSIT&M) and Japan University of Economics formally signed a Memorandum of Understanding (MoU) to collaborate on international academic programs, guided by the principle of reciprocity on 21.03.2025. This agreement facilitates the exchange of scholars, students, academic information, and materials, aiming to enhance research and educational initiatives at both institutions. Additionally, it seeks to foster mutual understanding among scholars and students from both institutions. The MoU was signed by Dr. Sanjay, Principal of BMSIT&M, and Mr. Asuka Tsuzuki, President of Japan University of Economics. The signing was witnessed by Dr. Niranjan Murthy, Associate Professor, Department of AIML, BMSIT&M, and Dr. Jyothi E. Singh, Associate Professor and Head, Department of MBA, BMSIT&M.

Student Achievements

- Teams Spatika and Morphing Drone participated in Anveshana'25 — a national-level prototype competition.
- I semester MCA students participated in the technical fest "AYUKTA-2K25" organized by Sir M. Visvesvaraya Institute of Technology, Bangalore on 10.03.2025. Ms. Manasa and Ms. Manasa R won 1st place in the IT Quiz, Mr. Krishna L & team secured 3rd place in the Treasure Hunt, and Dhameliya Om Jitendra, Salman Ahmed Raj Barbhuiya, and Abhishek P L won 2nd place in the Coding-Problem Solving event.

Winners of the events receiving prizes

- The MCA Department organized a 24-hour hackathon event, "HackVerse" with the theme “Sustainable Cities and Inclusive Communities” on 14.03.2025 & 15.03.2025, for I and III semester students. Out of 15 registered teams, the winners were announced as follows: In Level 2, Mr. Hitesh & team secured the 1st prize with a cash

BMS

INSTITUTE OF TECHNOLOGY AND MANAGEMENT

Avalahalli, Doddaballapur Main Road, Bengaluru – 560119

prize of Rs.12,000/-, Ms.Sinchana & team won the 2nd prize with a cash prize of Rs. 9,000/-, and Mr.Prahalad & team took home the 3rd prize with a cash prize of Rs. 6,000/-. In Level 1, the 1st prize was awarded to Ms.Damini & Ms.Likitha with a cash prize of Rs.3,000/-.

Students in action during hackathon

- Graduation Day for the 2024 MCA batch was held on 08.03.2025 at BS Narayan Seminar Hall. A total of 51 students were conferred MCA degrees and the ranks for the top 6 students were announced. **Ms. Varshini J M** received the **Gold medal for securing I rank**, **Ms. Varshini C S** received the **Silver medal for II rank**, and **Ms. Radhika B H** received the **Bronze medal for III rank**. The event was attended by Ms. Ramya Parashar, Chief Operating Officer and Executive Board Member at MiQ, Bengaluru, Sri Aviram Sharma, Chairman of BMSIT&M, Dr. Sanjay H A, Principal of BMSIT&M, and Dr. Anil G N, Vice Principal of BMSIT&M, among others.

A student receiving the degree certificate from the Chairman.

- Certificate of Appreciation is awarded to Ms. Manasa, MCA I Semester student, for securing Second Rank in the BCA Programme of Mangalore University for the academic year 2024-25.

Ms.Manasa receiving the award

Professional Activities

The Hackathon – "Build to Control" was successfully organized by the Department of Electronics and Communication Engineering at BMS Institute of Technology & Management on 27/03/2025. The event brought together bright innovators to tackle the challenge of designing a system that monitors and displays key environmental parameters within a vehicle cabin, enhancing passenger comfort and safety through automation. The hackathon witnessed enthusiastic participation from students, faculty, and industry professionals.

Tarun Patil and team secured first place, Ashwija and Team claimed second place, and Prajwal and team won third place for their outstanding projects. Hackathon Event coordinators are Dr.Vijayalakshmi G V, Dr.Shobha Rani, Dr. Anna Merine George, Dr. Asha K and Dr. Rashmi N.

First prize winning team

Second prize winning team

Student Workshops/Events Conducted/Organised

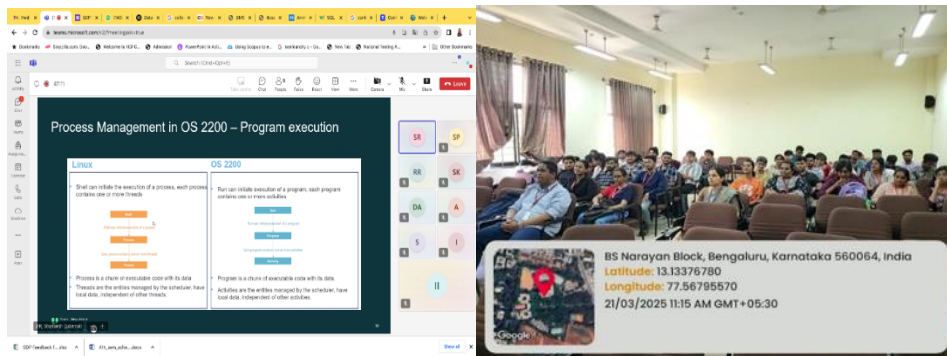

- Department of AI & ML Organized Student Development Program on **"Full-Stack Development using Python, Django & PostgreSQL: A DBMS Approach"** for 4th semester students in collaboration with the department of CSBS from 06.03.2025 to 08.03.2025.
- Department of CSE/AIML/ISE/CSBS organized an expert talk titled **" Case Studies and Real time examples MCP Operating System and OS 2200."** The seminar aimed to provide students and faculty with an in-depth understanding of two significant operating systems developed by Unisys: The Master Control Program (MCP) and OS 2200. This was organized in Collaboration with Unisys and the resource persons were Siyamala,

BMS **INSTITUTE OF TECHNOLOGY AND MANAGEMENT**

Avalahalli, Doddaballapur Main Road, Bengaluru – 560119

Narayanan, Ravi Kumar and Shamanth. The event was organized on **21.03.2025** from 11.00 AM to 1.00 PM and 1.30 to 3.00 PM, at Seminar Hall, 5th Floor, BSN Block.

TECHTRANSFORM (VIDYUT 10.0)

- The Department of Electrical and Electronics Engineering organised the Technical Fest Vidyut 10.0 under Techtransform on 27.03.2025. The technical events organised were Hackathon titled “CiruiThon” and a Challenge named “Mystery Mesh”, which demonstrated the technical expertise and problem-solving skills of the students. The event 'No Pain, No Gain' offered a unique experience with a cramp simulator with a twist. The students of sixth semester organized the events for first, second and third-year students of the department.

- Prof Praveen Kumar T N, Associate Professor, Department of Mechanical Engineering and Chief Co-ordinator Intellectual Property (IP) Cell participated in the Brainstorming Session on The IPR Training Programs as a resource person (Key Expert) on 10th March 2025 at Indian Institute of Science(IISc.), Bengaluru organized by Karnataka State Council for Science and Technology (KSCST) and Dept. of Collegiate and Technical Education (DCTE), Govt. of Karnataka in association with IPTel, Indian Institute of Science (IISc) and Bengaluru Science and Technology (BeST) Cluster.
- Team Motor Heads- Faculty coordinator, Dr Naga Madhu and student of IV and VI semester participated in Indian Karting Race on 17th March 2025 and received the "Design Award" at the Electric Vehicle Kart

BMS **INSTITUTE OF TECHNOLOGY AND MANAGEMENT**

Avalahalli, Doddaballapur Main Road, Bengaluru – 560119

Championship 2025, Travel for Eco Racing at Hindustan College of Engineering Coimbatore. And won the first prize in Anveshana 2025

Electric Vehicle Kart Championship 2025

Anveshana 2025

- The department of Mechanical Engineering organized IDEATHON 2025 on SDGs on Thursday 27th March 2025. This event was coordinated by Dr O Gurumurthy, Prof Sundaresh and Prof S Nithya Poornima and was organized for II, IV and VI semester students of Mechanical Engineering. The event was inaugurated by Dr. Madhu M C, HOD, Mechanical Engineering at 9.15 am. In this event, students need to present their ideas to provide solution to the problems by relating to any of sustainable development goals (SDG's). Totally 24 teams each comprising 4 students have registered for the event. The event began with preliminary round review of the ideas by the department faculty from 9.30 am to 12.30 pm and nine best ideas were shortlisted for the final round review. These nine ideas were critically reviewed in the final round by internal expert Dr. G L Anantha Krishna, Associate Professor, BMSIT & M and external expert Mr. Jayachandra Reddy, Manager, Tenneco India Pvt. Ltd. Bangalore from 2.30 pm to 5.00pm. Finally, top three ideas were short listed for prize money.

IDEATHON 2025

BMS

INSTITUTE OF TECHNOLOGY AND MANAGEMENT

Avalahalli, Doddaballapur Main Road, Bengaluru – 560119

Graduation Day

BMS Institute of Technology and Management organized a Graduation Day for its postgraduate courses on 08.03.2025. As part of the ceremony, students from the Department of MBA were honoured with their graduation certificates, which were presented by the esteemed Guest of Honour. The event celebrated the achievements of the graduating students, marking a significant milestone in their academic journey. It provided an opportunity to acknowledge their hard work and dedication while inspiring them for future professional endeavours. The occasion was graced by distinguished guests, faculty members, and proud families, making it a memorable and prestigious event.

Student Project Orientation

The Department of MBA organized a Project Orientation Program for III semester students on 03.03.2025. Dr. Vishwanatha from the Department of MBA conducted the session, providing students with a comprehensive understanding of the project guidelines. The program aimed to clarify requirements and expectations, ensuring students are well-prepared for their projects.

OUTBOUND TRAINING FOR STUDENTS AT PEGASUS

The Department of MBA conducted an outbound training program for its III semester students from 11.03.2025 to 13.03.2025. The training was facilitated by Pegasus Institute at its Bangalore campus. Established in 1997, Pegasus is a prestigious Pan-Indian institute with training centres in Bangalore, Dehradun, and Pune, specializing in experiential learning and corporate adventure training. This program aimed to provide students with immersive, hands-on learning experiences to develop their managerial and leadership skills, preparing them for the dynamic corporate environment.

BMS

INSTITUTE OF TECHNOLOGY AND MANAGEMENT

Avalahalli, Doddaballapur Main Road, Bengaluru – 560119

The training was coordinated by Dr. Jyothi E. Singh (HoD – MBA), and Dr. Vinay Rao (Associate Professor – MBA), with additional support from Dr. Reshma and Prof. Manoj, Assistant Professors of MBA department.

Industrial Visit

As a part of ELECSIM ECE DEPT club activity, 20 ECE department Students attended one-day workshop – "Innovate to Elevate" – designed to empower Agri startups, students, incubation centres, and aspiring entrepreneurs with the right tools, insights, and strategies to thrive in the evolving agricultural startup landscape at Agri Innovation Centre, UASB, GKVK on 27th March 2025. ECE faculties Dr Anitha M and Prof Chandrabhabha R accompanied the students. An industrial visit was arranged by the Department of MBA for its III semester students at Paramount Nutrition India Pvt. Ltd. on 15.03.2025. Dr. Nethravathi M and Prof. Channakeshava accompanied 35 students. The industrial visit to Paramount Nutritions Pvt. Ltd. provided a valuable learning experience that broadened students' understanding of the biscuit manufacturing process. This exposure to real-world applications of food production, quality assurance, and sustainability practices helps bridge the gap between theoretical knowledge and practical implementation.

BMS

INSTITUTE OF TECHNOLOGY AND MANAGEMENT

Avalahalli, Doddaballapur Main Road, Bengaluru – 560119

Faculty Achievements

- On March 26th, 2025, Dr. Rajesh Gopinath (Associate Professor, Department of Civil Engineering) was honoured with the Prathama Gurushreshtha Puraskar ~ 2024 at Thiruvananthapuram, Kerala. The prestigious award was presented by the Honourable Governor of Kerala, Shri Rajendra Vishwanath Arlekar. Instituted by VWMC, this award recognizes diaspora of distinguished faculty members worldwide, based on a comprehensive evaluation of the academic - research profile and Socio-environmental outreach.

- Dr. HemaMalini B H, Associate Professor, Dept of CSE was a reviewer for the International Conference On Computing For Sustainability And Intelligent Future (Compsif 2025) Organized By BMS Institute of Technology And Management, Yelahanka, Bengaluru-119, During 21-22 March, 2025.
- Dr. Usha B A, Professor, Dept. of CSE attended Six Days Faculty Development Program on "Hands-on Session On Enhancing Cyber Security through Digital Image Forensics" organized by Electronics & ICT Academy IIT Guwahati in association with Ashtaksha Labs Private Limited and Dept of CSE, Global Academy of Technology, Bengaluru from 3rd to 8th March 2025.
- Dr. Anil kumar D served as session chair for international conference on Smart systems for applications in Electrical sciences held at SIT ,Tumakur on 21st and 22nd March 2025.
- Certificate of Excellence in Peer-Reviewing awarded to Dr. Swetha M S Visvesvaraya Technological University, India in recognition of an outstanding contribution to the quality of the book, from BP International, West Bengal, India

BMS **INSTITUTE OF TECHNOLOGY AND MANAGEMENT**

Avalahalli, Doddaballapur Main Road, Bengaluru – 560119

Faculty as a Resource Person

- Prof. Sachin A U, Assistant Professors, Dept. of AI & ML has extended their support as Resource person for one-week Short Term Training Programme (STTP) on Advancements in GIS and Drones with AI from 17.03-2025 to 22.03.2025 at BMSIT & M, Bengaluru.
- Prof. Sanjay M B, Assistant Professors, Dept. of AI & ML has extended their support as Resource person for one-week Short Term Training Programme (STTP) on Advancements in GIS and Drones with AI from 17.03-2025 to 22.03.2025 at BMSIT & M, Bengaluru.
- Dr.Usha B A, Professor, Dept. of CSE has delivered the Guest Lecture on “Security Analytics, Network Security Analysis” for the ongoing CISO Training programme which is the National initiative under the aegis of MeitY, Govt. of India. Implemented as part of ISEA Program by CDAC Hyderabad on 21st March 2025.

- Prof. Shimna Manoharan, Assistant Professor, Department of Civil Engineering, delivered a technical talk on the topic “*The Importance of AI/ML in Civil Engineering*” during a workshop conducted as part of the Summer Startup Festival 2025 on 6th March 2025, in association with the Innovation and Entrepreneurship Development Centre (IEDC), Government College of Engineering, Thrissur.

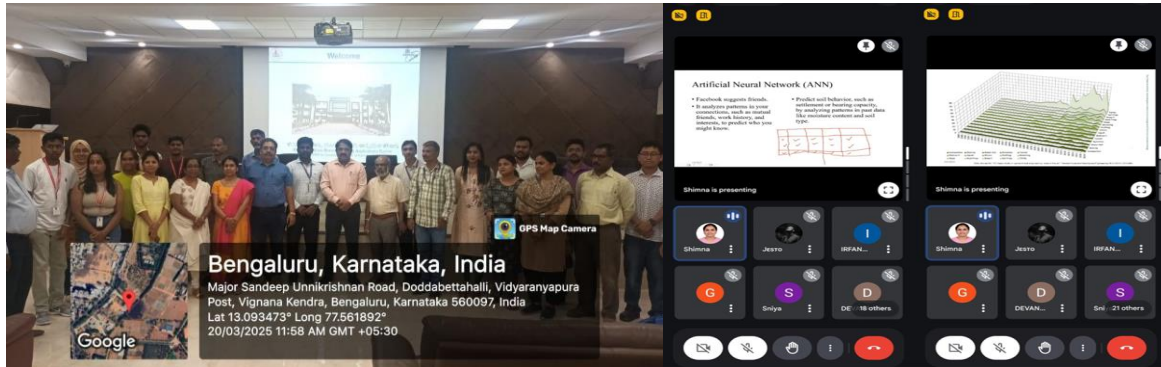

FDP/STTP Organized

- The Department of Civil Engineering has organised a One Week Short Term Training Programme (STTP) in Offline mode on Advancements in GIS and Drones with AI from 17 to 22 March 2025. The event was coordinated by Dr Rajesh Gopinath, Prof. Archana K & Prof. Shimna Manoharan. This training program provided a comprehensive learning experience in Geographic Information Systems (GIS), drone technology, and artificial intelligence (AI) through theoretical concepts and hands-on applications. It covered QGIS fundamentals, including georeferencing, spatial analysis, and advanced map layouts, while also exploring drone regulations, anatomy, 3D photogrammetry, and live drone assembly. Participants also were engaged in simulator training, FPV flying, and real-world site visits to reinforce practical applications. The program further introduced AI and machine learning for image processing, pattern recognition, and predictive analytics, fostering research and innovation in geospatial technology for societal impact.

- Dr Chandrashekarappa Assistant Professor presented entitled “Integrated study of Metabasalts in Mallasamudra area, Gadag Schist Belt, Karnataka, India” in International Conference on Earth and Environment in the Anthropocene (ICEEA 2025) conducted by Central University of Karnataka (CUK) Kalaburagi, Karnataka, India from 5th Mar to 7th Mar 2025.

Alumni Interaction

Department of Electrical and Electronics Engineering organized an Alumni talk on “Real-world insights, Career advice, and Valuable Networking opportunities” for 4th semester students on 04.03.2025. Alumnus Mr. Girish, Mr. Manjunath, Mr. Ganesh, 2021 Graduated Batch shared their experiences and guidance on preparing for challenging MS entrance exams, obtaining a visa, financial planning, university application processes, adapting to life abroad, and securing internships while pursuing an MS. The event provided students with valuable first-hand insights into higher education abroad. The event was coordinated by Dr. Manjunatha Babu P, Prof. Ozwin Dominic Dsouza and Prof. Nagaraj D.C.

Club Activities

- **Women’s Day Celebration**

Women Empowerment Cell of BMSIT&M celebrated International Women’s Day on 8th March 2025 in BSN Auditorium. The event was attended by lady faculty members, housekeeping staff, and gardening staff, making it a truly inclusive celebration.

The event was presided over by Dr. Sanjay H A, Principal, BMSIT&M, who delivered the Presidential Address. He acknowledged the hard work, dedication, and sacrifices made by women in balancing their personal and professional lives. He also mentioned various research funding opportunities available exclusively for women and encouraged them to take advantage of such initiatives.

The event was graced by Dr. Anil G N, Vice Principal, BMSIT&M, Dean (P&D), and Dean (SW) and who addressed the audience with inspiring words about the strength, resilience, and contributions of women in society and academia. They emphasized the importance of women taking leadership roles and excelling in their respective fields.

BMS **INSTITUTE OF TECHNOLOGY AND MANAGEMENT**

Avalahalli, Doddaballapur Main Road, Bengaluru – 560119

The Women's Day celebration at BMSIT&M was a memorable and empowering event, reinforcing the institution's commitment to gender equality and women's advancement.

- **InCSEption 2025**

Event Overview: InCSEption-2025, hosted by the Computer Science and Engineering (CSE) Department, took place on 27th March 2025. This 8-hour hackathon encouraged students to collaborate, innovate, and push their technical abilities to the limit while working on real-world challenges. The event provided an excellent platform for CSE students to demonstrate their coding and problem-solving skills, with the opportunity to compete for prizes and recognition.

Key Organizers: Dr. Thippeswamy G, HoD, CSE Department, BMSIT&M, Dr. Mahesh G, Dr. Satish Kumar T, Dr. Radhika K R Associate Heads, CSE Department, BMSIT&M, Dr. Bharathi R, Ms. Shama H M, Mr. Akshay Arya, Mrs. Aruna N (IIC Coordinators, BMSIT&M)

The organisers introduced the participants to the significance of hackathons, emphasizing their academic and practical value in nurturing the next generation of technologists and innovators.

Event Highlights: The event began with an introduction from the CSE department organisers, emphasizing the significance of hackathons in fostering creativity, collaboration, and hands-on experience. Students were encouraged to think outside the box and develop transformative tech solutions, applying their theoretical knowledge to real-world challenges. The hackathon promoted teamwork, with participants collaborating in teams of four to brainstorm and solve complex problem statements, reflecting the department's emphasis on practical learning.

The event was structured in two phases:

- Phase 1 involved registration and PPT submission, where 55 teams (220 students) submitted their project ideas and proposed solutions.
- Phase 2 featured project presentations, mentoring by judges Mr. Krishnan Kumar Agrawal and Dr. Balbadra Kishore, followed by an evaluation round to determine the winners.

Prize Distribution: The prize pool was Rs. 27,000, distributed among the top teams from each year as follows:

**BMS****INSTITUTE OF TECHNOLOGY AND MANAGEMENT****Avalahalli, Doddaballapur Main Road, Bengaluru – 560119**

Year	Prize	Amount	Team Name
1st year	1st prize	Rs. 4,000	CivicX
	2nd prize	Rs. 3,000	Fulcrum
	3rd prize	Rs. 2,000	Free_Attendance
2nd year	1st prize	Rs. 4,000	VoidMain{ }
	2nd prize	Rs. 3,000	MAVERICKS
	3rd prize	Rs. 2,000	Quantum Leapers
3rd year	1st prize	Rs. 4,000	INFINTECH
	2nd prize	Rs. 3,000	Inglourious Basterds
	3rd prize	Rs. 2,000	Health Hackers

Conclusion: InCSEption-2025 proved to be an outstanding event that allowed students to display their technical expertise and creativity. It fostered a strong sense of teamwork, innovation, and real-world problem-solving. The hackathon was a huge success in providing a dynamic and challenging environment for students, pushing them to explore new horizons in technology. It also helped build a spirit of collaboration and learning, ensuring that participants gained valuable hands-on experience in tackling complex challenges.

- **HACKSPHERE 2025:** The Ultimate Innovation Hackathon

HACKSPHERE 2025 is a dynamic, innovation-driven hackathon designed to bring together the top tech minds of BMSIT&M. Organized by the **Department of Information Science & Engineering, BMSIT&M**, the event aimed to solve real-world challenges in **Cybersecurity & Blockchain, Sustainability & Social Impact, and Open Innovation**. Participants showcased their creativity, technical skills, and problem-solving abilities while collaborating with mentors and industry leaders to bring innovative ideas to life.

BMS INSTITUTE OF TECHNOLOGY AND MANAGEMENT

Avalahalli, Doddaballapur Main Road, Bengaluru – 560119

- Department of ETE organized SmartXHackathon on two exciting themes with the topics titled “Smart & connected vehicles for enhanced safety and comfort” and “Smart Healthcare & assistive technology for a better tomorrow” on 27.3.2025. The students of 4th semester and 6th semester enthusiastically participated with their innovations and exhibited their talents. Themes were shared to the students in two different tracks. Students chose one among these and exhibited their knowledge, work on these and were awarded with prizes by the judges.

- International conference CompSIF was organized on 21.03.2025 and 22.03.2025 in the BSN Auditorium. Cultural activities like Classical, Western and Semi classical song and dance was performed by the students.

- Interact 2025, 24th VTU fest was organized at Global Academy of Technology, Bengaluru from 24th March 2025 – 27th March 2025. Around 37 students participated in various Cultural events such as Indian Classical song, Group song, Group dance, Photography, Debate, Skit etc.

NSS Events

Millet Mela

The Millet Mela, held on 10th March 2025 at BMSIT in collaboration with CRPF, aimed to raise awareness about the nutritional, environmental, and economic benefits of millets. The event featured interactive sessions, exhibitions, and expert discussions emphasizing millets' role in sustainable agriculture, food security, and healthy living. NSS volunteers actively participated, helping organize and document the event, while also engaging in community outreach. Experts highlighted how millets contribute to climate resilience, require less water, and support farmers' livelihoods. The event aimed to educate students and staff on incorporating millets into daily diets to combat lifestyle diseases and malnutrition. Collaboration with CRPF expanded the event's impact, reinforcing the importance of partnerships for sustainable development. Volunteers took a pledge to promote millet consumption and support eco-friendly food practices. The initiative fostered a sense of social responsibility and commitment to community well-being among participants. It also aligned with national goals to promote millets as part of food security and sustainability efforts. Overall, the Millet Mela successfully inspired awareness, action, and advocacy for healthier diets and environmental sustainability. Dr. Manoj H M, Dr. Kantharaj V, Prof. Shruthi S from department of AIML participated in this event along with 25 student NSS volunteers.

Sports Events

Kreedotsaha 2025- Staff Sports was scheduled on 06.03.2025 and 07.03.2025. Principal inaugurated the event and motivated the faculty and staff to participate in the games.

Faculty and staff actively participated in games like Chess, Tug of War, Carrom, Table tennis, Volleyball and Throwball.
