Monthly Newsletter / September - 2023

**BMS****INSTITUTE OF TECHNOLOGY AND MANAGEMENT****Vision**

To emerge as one of the finest technical institutions of higher learning, to develop engineering professionals who are technically competent, ethical and environment friendly for betterment of the society.

Mission

Accomplish stimulating learning environment through high quality academic instruction, innovation and industry-institute interface.

Faculty Achievements

Faculty Awards

- Dr. HemaMalini B.H., Associate Professor, Department of CSE, received a national level award “Shikshakaratra Puraskaara 2023”, and was felicitated by Dr. C. N. Ashwath Narayan, Ex-Higher Education Minister, Govt of Karnataka, on 23.9.2023 at Gandhi Sahitya Sangha, 8th Cross Road, Malleshwara, Bengaluru.

Session Chair

- Dr. Balu L., Professor and Head, Department of MBA, was session chair for the International Conference on Leadership by Design & Technology at SDMIMD, Mysore on 15.09.2023.
- Dr. Nethravathi N, Assistant Professor, Department of MBA, was session chair for judging the Business Plan event of BIZ-O-MANIA 2023(Virtual) at Acharya Bangalore B-School, Bangalore on 07.09.2023.

Board of Examination

- Dr. Usha B.A., Professor, Department of ISE was appointed as BOE member from Scrutiny of SEE papers of Fourth Semester (ISE Board) of Malnad College of Engineering, Hassan on 15.9.2023.

Faculty as Resource Person

- Dr. Usha B.A, Professor, Department of ISE, was invited as a resource person to deliver the talk on Artificial Intelligence in Cyber Security for final year students of Dept. of ISE, Malnad College of Engineering, Hassan on 16.9.2023.
- Dr. Sreelakshmi T.K., Assistant Professor, Department of Mathematics, delivering a talk on Vedic Mathematics for the First Year Induction Program organized by Department of Basic Science and Humanities, Sri Venkateshwara College of Engineering, Bengaluru on 25.09.2023.
- Dr. Vinay H.V., Assistant Professor, Department of MBA, has extended their support as a Resource person for Project Viva as external examiner for the project from 06.09.2023 to 06.09.2023 at BMSCE, Bangalore.
- Dr. Keerthi Kumar N., Assistant Professor, Department of Mechanical Engineering, delivered a talk on 3D-printing at the First Year Induction Program organized by the Department of Basic Science and Humanities, Sri Venkateshwara College of Engineering, Bangalore on 25th Sept 2023.

Reviewer for Journal / Conference

- Dr. Usha B.A., Professor, Department of ISE has reviewed the papers of the 7th IEEE International Conference on “Computational Systems and Information Technology for Sustainable Solutions [CSITSS - 2023]” is being organized jointly by RV College of Engineering in association with Florida International University (FIU), USA, Technically co-sponsored by IEEE Bangalore Section during September 2023.
- Dr. Kantharaju V., Assistant Professor, Department of ISE has reviewed the papers of the ACITE-sponsored International Conference on “Networks, Multimedia and Information Technology(NMITCON)”, organized by Nitte Meenakshi Institute of Technology, Bengaluru in September 2023.

Best practices

Induction Program

- The induction program for first-semester students was conducted from 4.09.2023 to 14.9.2023 (10 days). Various sessions like Ice-breaking sessions, yoga, healthcare, placement, local visits, student performances, etc.. were conducted in all the core departments.
- The Department students experienced many activities and life skills, the program started with an introduction to rules and regulations, universal human values, yoga importance, alumni interaction, placement details shared by coordinators, senior students gave an insight on the curriculum, industry experts delivered a talk about cyber security, etc. final day we had performance or talent exhibition.

- Rotaract Induction Programme 2023 was held on 7th September 2023 which initiated the 7th Installation Program of the Rotaract Club of BMS Institute of Technology and Management. PDRR Manjunath Gowda, The District Rotaract Committee Chairman, PP Rtr. Kiran SHS, District Rotaract President, Rtn. G Sundareshwar, Rtn.

Amar Vashista, Rotary Youth Service Director, and Prof. Tejaswini B J, Faculty Coordinator, BMSIT&M were present as the honoured guests who set an example of dedicated leadership. The club's official launch unveiled the new club logo, "Team Shakti" and introduced the theme for the year "Bridging Gaps, Shaping Futures". Furthermore, this induction programme catered to the honing of leadership skills, community service, and fellowship that is both advantageous to personal and professional growth.

- On 14.09.2023 as a part of induction program: Dean Student welfare welcomed the students for the session on Talk by Eminent Speakers by Armed Services / Civil Servants and introduced the speakers of the day Major General Bhakuni.

- A Programme was carried out to deliberate on the benefits of NCC was done. Information on various camps and events conducted by NCC.

PBL Open Day

On 5.09.2023 PBL Open Day exhibition was organized to showcase the projects developed by the students of the fourth semester. Project-based Learning (PBL) was incorporated for the subjects which lack the blended mode of implementation through the Curriculum prescribed by the University. Subsequently, an analysis was carried out based on the curricular course components to mitigate the gaps. Students were asked to form a team of 2-4 members and pursue real-world

problems as far as possible to gain insight into project implementation.

At Institute level there were 228 teams from the fourth semester who participated in the review and evaluation process. All the faculty members have participated in mentoring the Teams and Internal evaluation process on various rubrics. The short listed projects were demonstrated on Open Day and were evaluated by the external Jury. The top 3 projects from each of the 4th Semesters competed for a cash prize of Rs. 5000.

Industry – Institute Interaction

Industrial Visit

- An industrial visit was arranged by the Department of Electrical and Electronics Engineering for the 4th semester at Vignesh Vidyut Controls, Bengaluru on 15.09.2023. The company specializes in the design and manufacturing of distribution transformers, catering to a diverse clientele. Mr. Muralikrishna, the Managing Director of the company, delivered an engaging presentation outlining the company's history, mission, and its crucial role in the power distribution sector. The industry visit to Vignesh Vidyut Controls proved to be an educational and inspiring experience for the department's students. It provided practical insights into the intricate world of distribution transformer design and manufacturing, exposing us to real-world applications of our academic knowledge.

- The Department of ETE arranged an industrial visit for 4th sem students to U Rao's Satellite Center of ISRO on 14.9.2023 and it was accompanied by faculty members Dr. Raju Hajare and Dr. C. P. Mallikarjuna Gowda.
- Srinivas B V, Asst. Professor, Department of ISE has taken students of the fourth semester (44 students) for an industrial visit to the K-Tech Innovation Hub on 31.08.2023.
- An industrial visit was arranged by the Department of MBA for the second semester at TVS Motor Company on 06.09.2023. Dr. Jyothi E Singh, Dr. Nethravathi N, and Mr. Sai Niranjana R accompanied 59 students. This visit aims to provide practical insights into manufacturing processes, foster networking opportunities with industry professionals, and inspire participants while educating them about industry practices and career prospects. The conclusion emphasizes the valuable insights gained into modern manufacturing practices, quality standards, and the importance of innovation. It gave a first-hand look at the complexity of production procedures, quality assurance procedures, and industry best

BMS **INSTITUTE OF TECHNOLOGY AND MANAGEMENT**

practices. Interacting with professionals at TVS has broadened students' perspectives on the manufacturing sector and inspired them to explore exciting career possibilities within the industry. This trip has served as a useful educational experience by reinforcing the importance of bridging the gap between theoretical knowledge and practical implementation.

- An industrial visit was arranged by the Department of MCA for Second semester to "Atal Skill Lab," VIAT, Muddenahalli on 09.09.2023. Dr. Aparna K., Prof. Dwarakanath G.V., Prof. Shivakumara T. and Prof. Reshma C.R., accompanied the students.

Workshop/FDP/Expert Talks

Workshop Organized

- The department of MCA has conducted a hands-on workshop on "GitHub CoPilot" on 15.09.2023 for the students of Second semester. Mr. E Rahul Naidu, Director, Methuselah Technologies, conducted the session. This session helped the students to understand how the industry is using Generative AI-based tools like GitHub CoPilot to deal with rapid application development. This training can provide an edge to the students during campus interviews.

Expert talk

- The Department of AIML organized an expert talk on the topic "Current Trends in AI", by Mr. Sushanth Rajesh Kumar for 1st-semester AIML and CSBS students on 09.09.2023.
- The Department of AIML organized an expert talk on the topic "Career Guidance", by Dr. Sanjay H.S. for 1st semester AIML and CSBS students on 09.09.2023.
- The Department of AIML organized an expert talk on the topic "Current Trends in AI", by Dr. Narayan K for 1st semester AIML students and CSBS on 13.09.2023.
- The Department of CSE organized an expert talk on the topic "Career Guidance" for the first year students as a part of the Induction Program by Mr. Vishnuvardhan Y Founder at Exposys Data Labs, Bengaluru on 9.9.2023.
- MBA Department organized an expert talk on the topic "Guest lecture on MBA Specialisations", for 59 students on 09.09.2023 by Abha Pavan Gopal.

Alumni Interaction

- The department of CSE organized an ALUMNI INTERACTION with the first year students as a part of Induction Program by Mr. Chethan Patel (2023 BATCH ALUMNA), Associate Software Engineer, Mobileum. on 9.9.2023.

Departmental Co-curricular Activities

Activities at BMSIT

'RANGOLI' IS A COLOUR OF UNITY WHICH WAS CONDUCTED IN THE DEPARTMENT OF MBA, BETWEEN THE STUDENTS OF MANAGEMENT ON 21ST SEPTEMBER 2023 (THURSDAY) BETWEEN 2:40 PM TO 4:30 PM. THE EVENT WAS ORGANISED BY THE TEAM ATMA SANSKRITI (UNDER CULTURAL CHAPTER) THE MAIN AIM OF THE EVENT WAS TO BRING OUT THE CREATIVITY IN MANAGEMENT STUDENTS AND PROVIDE THEM A PLATFORM TO SHOWCASE THEIR TALENT ON THE CLASS LEVEL.

THE EVENT (RANGOLI) CONDUCTED, WAS A GREAT OPPORTUNITY FOR THE STUDENTS OF MANAGEMENT TO SHOWCASE THEIR TALENT AND CREATIVITY AT THE DEPARTMENT LEVEL AND ALSO STUDENTS WERE BEEN ABLE TO BUILD GREAT CONVERSATIONS BETWEEN STUDENTS AND BUILD GOOD TEAMS TO HAVE PROPER KNOWLEDGE OF

CREATIVITY AMONG THEM. FINALLY GREAT RESPONSE HAD BEEN SHOWN BY THE STUDENTS IN MAKING THE EVENT A DECENT SUCCESS.

- The Department of MCA conducted Farewell Day for the final year students of 2021-23 batch students on 01.09.2023. The event gave a platform for the students to share their memories at BMSIT&M and cherish their moments. The day was filled with fun activities like- Dumb charades, Singing, Dance, Fashion shows, etc. Vice Principal Dr. Anil GN, Dean - Career Counselling Dr.

Manjunath T N, Dr. Arun Kumar B R, Professor, dept. of CSE, Dr. Sridevi M, HoD-MCA, and others were present during the event.

OBE activities

- Prof. Venkatesh A, Assistant Professor, Department of MCA, has extended his support as a Resource person for the Partial delivery of classes of Web Technologies subject on the topic “ECMA Script”, on 23.09.2023 for the second semester MCA students.
- The department of MCA has taken an initiative to curb the use of plastic bags inside the campus. On

15.09.2023 from 3.30 pm to 4.30 pm, students of the MCA Department joined hands to make 500 paper bags, which can be used to distribute prasadam on Ayudha Puja day. Each bag will be sold within the campus at Rs. 5/bag to collect 2,500/- rupees. This amount will be further donated to the Indian Army under the “Bharat Ke Veer Corpus Fund” on Ayudha Puja Day of Dussehra.

Celebrations

Teachers’ day Celebration

The Teacher's Day was celebrated on 5th September 2023. The event was organised in the seminar hall of the academic block from 3:00 p.m. onwards. Dr. Gopalan Jagadeesh a senior professor from the Indian Institute of Science invited as the chief guest. Dr. Mohan Babu G. N., Principal, presided over the function. The event began with an invocation song rendered by Mr. Nikhil of the fourth semester electrical and electronics engineering department. The chief guest Dr. Gopalan Jagdish was felicitated on this occasion the principal and the Vice Principal. Later in his address to the gathering Dr. Gopalan stressed on the importance of the role of the teacher in one's life. Mixed with subtle humor, he emphasized the importance of adapting to the situation and the best out of one's capacity.

Continuing the tradition of acknowledging academic excellence, the faculty members who have secured 100% results in the respective courses were felicitated on the occasion by the dignitaries on the dais. In his presidential address, our principal Dr. Mohan Babu G. N., recorded some of his fond memories and called upon the teachers

to strive for success. The program concluded with a vote of thanks. This year's Teachers' Day celebration was organised by the Electrical and Electronics Engineering department.

Ganeshotsava-2023 Celebration

The Ganeshotsava 2023, was celebrated from 18th September 2023 to 20th September 2023. The celebration began with traditional puja ceremonies performed by our faculty, students, and other staff, invoking Lord Ganesha's blessings and with morning aarti. The Ganpati Utsav celebration was

indeed a grand success, thanks to the tireless efforts of students, faculty, and staff. It provided a platform for students to get together, imbibe cultural values, and engage in social service. The event fostered a sense of unity, spirituality, and eco-consciousness among the college community.

Engineers' Day Celebration

- The Department of Civil Engineering celebrated Engineer's Day on 15th September 2023 as a mark of tribute to 162nd birth anniversary of one of the greatest Civil Engineer the world has ever produced, Bharata Ratna Sir Mokshagundam Visvesvaraya. The faculty members and the students of the Department actively organized the event and made it an auspicious one. Coordinated by Professor Archana K, Professor Shimna Manoharan and Dr Marsh M Bandi.

- Rewards for Research Achievers (Faculty Members) during AY 2022-23 were given away. Faculty Members were honoured with Mementos/ Certificates during this event.

a. Conference Paper	-	28
b. Journal Publication	-	28
c. Funded Projects	-	09
d. Consultancy (more-than 50k)		04

- The Chairman's Rolling Trophy for Outstanding Contribution to Institutional Development was introduced to appreciate the best contribution from various departments in the institute last year. The winners of this year's Chairman's Rolling Trophy for Outstanding Contribution to Institutional Development-2023 were Admission (Office section) for working hard for autonomous admissions and Institute Placement Cell (PO & team) for achieving 95% overall placements.

Sl. No.	Research Scholar Name	USN	Research Centre	Guide Name	Activity done
1	K V Jyothi Prakash	1BY11PEN01	ECE	Dr. G.SJayadeva	Colloquium on 30.9.2023.
2	Chaithra B K	1BY16PMJ02	ME	Dr. A.V. Suresh	Change of Research Centre from BMSIT&M to Dr. Ambedkar Institute of Technology, Bengaluru.
3	Research Advisory Committee (RAC) constituted for Research Scholars who have been admitted during the year 2021-22 between 5.9.2023 – 15.9.2023.				

Research Activities Statistics

Research Publications during September-2023: 20

Ongoing Funded Projects as on 31.8.2023: 12

Consultancy Projects in September-2023: 01(ME) and 01(PHY).

AICTE ATAL FDP 2023-24 : Two applications have been selected from ETE and ME.

The details are as follows:

Faculty Name	Dept.	Application No.	FDP Title
Dr. Govindaraju H.K.	ME	1691393501	Hydrogen hybrid technology for cleaner mobility revolution
Dr. Raju Hajare	ETE	1692010395	VLSI Chip Design: An AI/ML Perspective

R&C important activities

- Dr. Sabina Rahaman, Assistant Professor, ECE, nominated as In-charge/Head Coordinator for Product Development Monitoring and Commercialization vertical under Research and Consultancy, BMSIT&M.
- Applications have been called for faculties Research Publications Incentives and Conference Papers reimbursement for the period from July to September 2023. Applications received:
 - a) Research Papers Incentives: 22
 - b) Conference Papers Reimbursement : 06
- Discussion with Dr. Janhavi Inamdar, Dean External Relations, MIT Academy of Engineering at R&C Cell, BMSIT&M regarding research collaboration on September 15, 2023.

Research Proposals granted

- Dr. Raju Hajare, Associate Professor, Dr. Banuprakash R, Assistant professor, dept. of ETE, was granted Rs. 3.5 lakhs for conducting ATAL FDP titled "VLSI Chip Design: An AI/ML Perspective" proposal from "AICTE, Delhi" on 20.9.2023.

Paper Publication

International Journal

- S. Nithya Poornima M, "Effect of nano lubricant on the tribological behaviour using pin on 3 disc test rig", paper Id : GSJ/11568 in GIS Science journal Volume 10 Issue 9 September 2023.

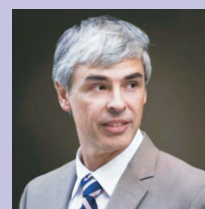

International Conference

- Kantharaju V., Harish Kumar N., Deepak G., Karthik S.A., Niranjana murthy M., Kushal Gopal "AIRFACTOR- Bangalore Based Air Pollution Monitoring and Prediction Application using Machine Learning", 2023 International Conference on Network, Multimedia and Information Technology (NMITCON) 1.9.2023 to 2.9. 2023.
- Dr.Usha B.A., "A Survey on Big Data in Cyber Security" in the IEEE International Conference on "Multidisciplinary Research in Technology and Management - MRTM 2023 organized by New Horizon College of Engineering from 22.9.2023 to 23.9. 2023.
- Dr. Nethravathi N., "The Trend Analysis of HR in India: How Automation is Revolutionizing the Workforce by Big Four Companies", International

Conference on Fintech: Digital Transformation of financial services from 14.09.2023 to 16.09.2023 at Bharathiyar University, Coimbatore.

Consultancy Work

- Dr. Keerthi Kumar N., and Madhu M.C., Assistant Professor, Department of Mechanical Engineering has completed consultancy work and received an amount for Criyagen Agri and Bio-Tech Pvt, Ltd, Bangalore on 8th Sept 2023.

Artificial intelligence would be the ultimate version of Google. The ultimate search engine that would understand everything on the web.

– Larry Page

BICEP Activities

During the Induction programme that was held during 4th September to 14th September 2023, two days briefing session was conducted by BICEP from 6th Sept 2023 (Physics Cycle) and 11th Sep 2023 (Chemistry Cycle). During this session activities carried out in BICEP was discussed. Other activities like: Aarohan lab facilities, NISP policy of students and faculties, Mentor panel list, current pre-incubates were discussed, by BICEP Coordinators Dr. Ravichandran K R, Ms. Shama H M, Prof. Archana K, and Prof. Mahalakshmi S. Students were given an overview on services provided by BICEP.

Beyond Campus

Mr. Chennabasava C, BICEP manager attended Electronica India Expo that was held on 13th 14th & 15th September 2023. Electronica was the world's leading trade fair and conference for electronics, which makes it the most important international meeting place for industry personals. The entire electronics spectrum, from components to systems, applications, and services, will be presented. But there's even more on offer: The extensive conference and supporting program highlighted areas that includes automotive, embedded, wireless, IIoT, connectors/measurement, and printed electronics. This is where the industry networks—from young talents and students, start-ups and skilled workers to SMEs and the global players in electronics.

COHORTS attended by BICEP Pre-Incubate team - DOSTBIN

IIT Madras – GDC I-NUDUCT Cohort

DOSTBIN team, preincubated at BICEP got selected for IIT Madras, GDC I-NUDUCT program which was held from 18th August 2023 to 25th September. I-NUDUCT is a 4-week long experiential learning program that helps a STEM researcher/student appreciate the demands and rigors of becoming an entrepreneur. The program is designed to kindle the entrepreneurial instincts of a participant and eggs him/her to think deeply about their personal motivations, anxieties, and emotions with regards to becoming an entrepreneur. A second area where I-NUDUCT focuses on is improving a participant's business acumen – that is, understanding how a business really works and what is to be done to make a startup viable. Every team member (Dr. Seema Sigh, Mr. Venkatesh R, Mr. Suhail Ali Khan, and Mr. Narasimha Murthy) allocated 60% of their time to the program. This includes time for preparing, conducting, and analyzing interviews, team discussions, interactions with instructors and business mentors, and completing assignments and weekly presentations.

The poster is for the GDC I-NUDUCT Program. It features the GDC logo at the top, followed by the text 'Gopalakrishnan-Deshpande Centre for Innovation & Entrepreneurship, IIT Madras'. Below this, it states 'GDC invites researchers and students from STEM colleges to apply for Cohort 04 of its I-NUDUCT Program'. The next line says 'I-NUDUCT (pronounced INDUCT) is a 4-week long experiential learning program.' This is followed by 'The Program helps participants gain a deep appreciation of the two key success factors in the early stages of building a startup:'. At the bottom, there are two bullet points: '• Self-discovery about entrepreneurial abilities and cultivating an entrepreneurial mindset' and '• Building an awareness of the fundamental building blocks of developing business acumen'.

Punjab Agri-based Incubator (PABI) Cohort

DOSTBIN team, preincubated at BICEP got selected by PABI for a two-month training programme for Uddam and Udaan starting from 11.09.2023. The team will go under various selection processes and may get a fund of 25 Lakhs from the Government, if shortlisted, at the end of the cohort. The cohort is providing lectures from eminent experts in the field of legal, finance, marketing, production, and operational challenges and their solutions which may be faced by entrepreneurs in their journey.

FKCCI Manthan 2023

DOSTBIN team was shortlisted in the top 32 teams as a finalist, this year across Karnataka state. Final (3rd level) presentation in front of the jury on 12th September 2023. It was awarded Rs 10,000/- cash prize as a finalist at the Grand Finale which happened on 20th September 2023 at Sir M V Auditorium FKCCI K G Road, Bengaluru.

Event Organised by BICEP Innovation

Internal Hackathon for Smart India Hackathon 2022
The event was conducted on 2 different days i.e., on 15th of September 2023 for second-year students and third-year students and on 27th of September 2023 for first year and final year students. The event started at 1:00 PM - 4:00 PM on both the days. 15th of September 2023, 24 teams comprising students about 35, participated with various themes and problem statements proposed by industries, ministries, and organizations for SIH 2022. The jury included internal and external members. Dr. Seema Singh, Ms. Shama H M, Dr. Vinay H V, Prof. Bharathi R, and Mr. Chennabasava, BICEP Manager were Internal scrutiny members. About 10 teaching faculty participated in the event and were present till the Q&A session. The top 20 Ideas were shortlisted and 4 were waitlisted. Internal Idea presentation for higher semesters. The event was convened by Ms. Shama H M and SPOC Prof. Madhu M C Innovation Centre coordinator. The ideas selected were submitted to SIH 2023 in several categories and BMSIT&M submitted 24 ideas in the shortlisted category after the second round of internal evaluation on 27th September 2023.

Sports Activities

- Our college athletes participated in VTU State level Weightlifting competition, which was held at Vemana Institute of Technology, Bengaluru on the 1st of September 2023 and secured silver medal in 67kg category Men's section and a bronze medal in 55kg category Women's section. Mr. K Nitish of 4th Sem ISE has lifted a total weight of 140kg in the 67 kg category in the men's section and secured a silver medal. He cleared weight in snatch is 65kg and in Clean & jerk he cleared 75kg. Ms. Shinola M.F. of forth sem. Civil department has lifted a total weight of 48kg in the 55kg category women's section and secured a bronze medal. She cleared weight in the snatch is 23kg and in Clean & jerk, She cleared 25kg.
- A few of our college athletes participated in the VTU State Level Powerlifting Competition, which was held at KLS Gogte Institute of Technology, Belgaum on the 7th of September 2023. Mr. K. Nitish of 4th Sem ISE has lifted a total weight of 409kg to secure the gold medal in the 66kg

category Men's section.

- On the 8th & 11th of September 2023 under the activity of Yoga and Physical Health, the Dean Student Welfare welcomed the students and introduced Dr.Chandan, and Dr. Deepa, sessions co-

ordinated by Mr. M.B.Patil and Lt.Rani for both Physics and Chemistry cycle students respectively.

- On 13th of September 2023 Dean Student welfare welcomed the students for the session on Yoga and

- On 12th of September 2023 Dean Student welfare welcomed the students for the session on Yoga and Physical Health and introduced the speakers of the day Dr. Sudheendra, Yoga Expert.

NCC Activities

AITSC CAMP (DELHI)

- CSUO Pooja P., Fourth Semester, Dept. of CSE, represented Karnataka Goa Directorate (National level) at AITSC, Delhi, and won the bronze medal for Map Reading.

Enrolment & Selections of New Cadets

- Selections and enrolment of new cadets for the year 2023 were done at our college campus from 19.09.2023 and 20.09.2023

Flag Area Competition

- Lcpl Sahana K and Cdt. Maxson Matthew took part in the unit-level Flag area competition in RDC and represented the 39 Kar Battalion at Bridhavan College, Yelahanka, and worked on the theme "One District One Product" from 14.09.2023 to 19.09.2023.

NSS Activities

Certificate of Appreciation

This is to certify that

BMSIT&M NSS & YRC

Has contributed in
Shramdaan for Swachh Bharat

On
1st October, 2023, at 10 AM

A Swachh Bharat Mission Initiative

Ek Tareekha Ek Ghanta –
Swachhata Hi Seva 2023 –
A Campus surrounding Cleanliness
event was organized by NSS Unit
in association with YRC on 30-09-
2023. Timing – 10:30 am to 11:30
am. This event was supported by
the Dean – P & D along with the
Building Section and
Housekeeping staff. In the event
around 25 student volunteers
participated.

Placement Information

The placement season for the 2024 Batch commenced on 01.07.2023. As on 30.09.2023, total 82 placement offers have been placed and given internship offers as detailed below.

Sl. No.	COMPANY NAME	TOTAL NO. OF JOB OFFERS	CTC-LPA (Rs.)	Placement/Internship
1	ACCORIAN	7	9,00,000	Placement & Internship
2	ALSTOM	5	6,80,000	Placement & Internship
3	BURNS & MCDONNELL	2	5,60,000	Placement & Internship
4	CARL ZEISS	10	11,00,000	Placement & Internship
5	EPICOR	5	9,25,000	Placement & Internship
6	EPSILON	8	8,00,000	Placement & Internship
7	GALAXE SOLUTIONS	18	5,00,000	Placement & Internship

JNANAVARDHANA

'Teachers to be taught and trained'—is a relatively growing concept found in Societies all over the world, in the nineteenth and twentieth centuries. Also, Quality education is considered as the backbone of the nation countries whether they are underdeveloped, developed, or developing countries at present. As part of sharing higher-level knowledge, BMSIT&M gives opportunities to Professors of various departments to deliver talks on recent trends and topics in their domain. This initiative has taken firm footage as Jnanavardhana, a series of talks given by Professors to share their knowledge in topics on cutting-edge technology and trending subjects. The list of topics delivered by the Professors during September-2023 is given in the table.

Sl. No.	Presenters	Date	Time	Topic Title
1	Dr. Anupama H S	6.09.2023	12.00 to 1.00 pm	Natural Language Processing: An overview
2	Dr. Sridevi M	13.09.2023		Where AI meets Spirituality
3	Dr. Jyothi C. Abbar	20.09.2023		Electrochemical Sensors-an enhanced sensing platform for biomolecular analysis

Proctoring system and Counselling Report

Under each proctor (assigned faculty) a maximum of 25 students are allocated. Proctoring of each Department is monitored by a team of deputy chief proctors and a chief proctor at the institutional level. Students who have behavioural issues, or personal issues can avail the guidance of professional counsellor Mrs. Chetana Srinivas. She visits campus on Tuesday and Friday from 1.30 pm to 4.30 pm. She provides counselling for 'Behavioural', 'Personal', and 'Academic' issues. Students having academic deficits were guided by 'Study skills' and 'Time-Table management'. Six students received academic guidance.

Six students belonging to ECE, ETE and Civil received academic guidance, Effective study skills and timetable management. One parent was counselled regarding her son's academic issues.

Two non-teaching staff were counselled. One for her son's personal issue affecting her life and the second for improving the quality of work at the hostel. Finally, one staff's wife was counselled for issues related to her husband's behavioural issues. A Seminar was conducted for first-year students, on the topic : Life lessons to motivate and guide them in the journey of counselling and orientation to counselling' meaning objectives, criteria of seeking counselling and method to contact were discussed. Topic: Psychological well-being was conducted for 1st sem CSE students.

To conclude, four students, three non-teaching staff and one parent were counselled, and two seminars were conducted during the month of September 2023.

Bidding Adieu To The Pioneers: Farewell For The 1st Autonomous Batch 2021-2023

The BMS Institute of Technology's Department of MCA witnessed a poignant moment on September 1, 2023, as they bid farewell to their first autonomous batch that embarked on a transformative journey in 2021. The event, was a heart-warming tribute to the students who had grown both academically and personally during their time at the institution. The event commenced with an inaugural ceremony that set the tone for the evening. The gathering was graced by the presence of the honourable Vice Principal, Dr Anil G N, Dr. P Ganesh, Dean Planning and Development, Dr. Manjunath TN, Dean Career Guidance, Dr. Sridevi M, HoD MCA. It was a moment of reflection, where both faculty and students ac-

knowledgeed the bond that had been forged over the years. One of the highlights of the evening was the cultural activities that followed. Students showcased their talents in dance, music, and drama, leaving the audience in awe of their creativity and passion.

Faculty publication information from IRINS site

IRINS is a web-based Research Information Management (RIM) service developed by the Information and Library Network (INFLIBNET) Centre in collaboration with the Central University of Punjab. The portal facilitates the academic, R&D organizations and faculty members, and scientists to collect, curate, and showcase scholarly communication activities and provides an opportunity to create a scholarly network. BMSIT&M through IRINS brings the details of its faculty research and publications details for the month of September-2023.
