

BMS INSTITUTE OF TECHNOLOGY & MANAGEMENT (Autonomous Under VTU)

Invited Talk on Graphene: The wonder material for future disruptive innovations by Dr. C. Kavitha

Dr. Kavitha C.

BMSIT, Bangalore, India

Graphene: The Wonder Material for
Future Disruptive Innovations

Five-Day FDP on
“Science of New-Age Materials for Advanced Technological Application”

Schedule

Date	Time	Event
Day 4 28/04/2022 Thursday	10.00 am to 11.00 am	Dr. Kavitha C. BMSIT, Bangalore, India Title of the talk: Graphene: The wonder material for future disruptive innovations
	11.00 am to 12.00 pm	Dr. Sunil Kumar K. R. Presidency University, Bangalore, India Title of the talk: Light-Driven Nano Biomachines
	12.00 pm to 1.00 pm	Dr. Ravikumar Y. S. MSRIT, Bangalore, India Title of the talk: Application of Lipid nanoparticles in delivery of next-generation therapeutics
