Engineer's Day Celebration 2022

The Department of Civil Engineering celebrated Engineer's Day on 15th September 2022 as a mark of tribute to 161st birth anniversary of one of the greatest Civil Engineer the world has ever produced, Bharata Ratna Sir Mokshagundam Visvesvaraya. The faculty members and the students of the Department actively organized the event and made it an auspicious one.

Er. Lakshminarayanan, Vice President, Engineering and Maintenance (E&M) at Bengaluru International Airport Limited (BIAL) and his team graced as the Chief Guest of this occasion. The event was inaugurated by invoking the almighty with a prayer and lighting of lamp by the dignitaries- Chief guest Er. Lakshminarayanan, Principal Dr Mohan Babu G. N, Vice Principal Dr H K Govindaraju, HoD Dr Rajakumara H N. As an auspicious occasion of Engineer's Day, the Chief Guest Er. Lakshminarayanan, who is an electrical engineering graduate, was felicitated for his best contributions to aviation industry. Further, Er. Lakshminarayanan addressed the gathering through a presentation about the need for Sustainable Practices and Development in Engineering. He elucidated about the best innovative and sustainable practices implemented and followed at BIAL such as, energy conservation by harnessing Solar power on all building roofs & optimization of HVAC, efficient surface- rainwater and wastewater management which has aided in rejuvenating plenty of lakes outside the airport and many more. Also, audience applauded for the fact that BIAL has achieved net energy neutral status. The chief guest also emphasized on the need for technically proactive and interdisciplinary projects in the Engineering Education. The presidential address by Principal Dr Mohan Babu G.N enumerated the best academic practices followed at BMSIT&M such as project-based learning (PBL), extracurricular activities- yoga, music, sports, thinking based internal assessments and many more. Principal emphasized that sustainability in engineering can be achieved by working for the futuristic techno-social environment.

The stage was also open for the prize distribution for student Winners of Smart India Hackathon (SIH)-2022, Dreams Hack-2022, Srishti Hackathon- 2022, State Level -VTU Educational Conclave-2022 with a memento and certificate. A special trophy- The Chairman's Rolling Trophy for Outstanding Contribution to Institutional Development was introduced to appreciate the best contribution from various departments in the institute. The winners of this year's Chairman's Rolling Trophy for Outstanding Contribution to Institutional Development were Examination Section (COE and team) for working hard successfully establishing Autonomous examinations and Institute Placement Cell (PO & team) for achieving 93% overall placements. Also, all the faculties who have rendered 100% results in various courses were awarded with a certificate of appreciation. The Engineer's Day event was concluded by thanking BMSET and Management, dignitaries, audience, and the organizing committee- Dr Rajakumara H N, Mrs Archana K, Dr Lalith K Gupta, Dr Vibha V, and student members. The event was followed by Lunch and High tea.

VISION: To be an Exemplary Centre, disseminating quality education and developing technically competent civil engineers with professional integrity for the betterment of society

MISSION:

- Impart technical proficiency through quality education
- Motivate entrepreneurship through enhanced industry -interaction and skill based training
- Inculcate human values through outreach activities
