

**BMS****INSTITUTE OF TECHNOLOGY AND MANAGEMENT**

Avalahalli, Doddaballapur Main Road, Bengaluru – 560064

DEPARTMENT OF ELECTRONICS & TELECOMMUNICATION ENGINEERING**STUDENTS ACHIEVEMENTS**

The Department takes pride in expressing performance by students in various curricular activities and events :

Co-Curricular Events:**2019-20**

Sl No	Name of the Student	Event	Award	Year
1	Neha R, N Janani, Raghav K K, Sudha M	Presented a paper with title “ Microstrip Array Antenna for 24GHz Automotive RADAR” in , International conference on Smart structures and Systems” -ICSSS 2020, at Saveetha Engineering College, Chennai	BEST PAPER Award	24.07.2020
2	Vivek, Hemanth G, Bharathkumar S, MD Yasin Faisal	Presented a paper with title “ A Compact Reconfigurable UWB Antenna For Short-Range Wireless Applications” in , International conference on Smart structures and Systems” -ICSSS 2020, at Saveetha Engineering College, Chennai	BEST PAPER Award	24.07.2020
3	Shashank Srinivas Aditya V Kulkarni Prajwal P S Sudhanva Rao P.N	Project Titled “Smart Learning System For Deaf And Dumb Using Hearing Aid And Mobile App”	KSCST Sanctioned Student Project & also applied for PATENT	06.03.2020
4	Manjunath U, Prasunn , Nishit Rathi Prasanna Kumar	8th semester students of ETE has filed a provisionally patent titled “ Bone Conduction based full face helmet “ Patent Reference ID number :202041007423 on 21st February 2020	Provisional PATENT Filing	21.02.2020
5	Manjunath U, Prasunn , Nishit Rathi Prasanna Kumar	Participated as Finalist in KPIT Granf Finale 2020 at Pune (KPIT top 30 finalist)	one among KPIT top 30 finalist	29.02.2020 & 01.03.2020

6	Manjunath U, Prasunn , Nishit Rathi Prasanna Kumar	IICD_2019 " DST-TEXAS"	Selected and recieved a fund of \$200 worth components for Bionic Arm	2019
2018-19				
1.	Chethana C, LekhyaSindhura, Madhushree M, MahimaRajndra	Presented a paper with title “ A miniaturized dual band microstrip antenna for Worldwide interoperability microwave access and C band radio navigation” in ICAIT-2019, International conference	BEST PAPER Award	25/07/2019
2.	Pranav, Dharma,	India’s premier innovation and design contest, the India Innovation Challenge Design Contest (IICDC) organized by Texas Instruments, in association with Department of Science and Technology (DST).	Selected for Semi- finals for the project “VISION”	27/05/2019
3.	SauravKarthikeyan Gagana J Krithika Sharma	IEEE Project expo-2019 conducted at GSSSIETW, Mysuru	BEST PROJECT for the project “Smart Lid: Foodspoilage detection system”	29/04/2019
4.	Rithika Rose Thomas, Suhas Reddy, Reethu, Goutham ,	“Anveshana”, an Innovative Idea Contest	Won Second prize for the Project “ Biotic Phone Charger”	15/03/2019
5.	VivekHerle	“Anveshana”, an Innovative Idea Contest	Won Third prize Project titled “Eco Friendly Hybrid Smart cycle for Green Campus”	15/03/2019
6.	SauravKarthikeyan	KSTA project exhibition conducted at SVCE, Bengaluru	2nd prize for the Inter disciplinary project “Smart Lid: Foodspoilage detectionsystem”	13/03/2019
7.	PranavRaikote C Soujanya Joshi	“Code Igniter 2018” At GSSSIETW	2 nd Place in Project Business Innovative Ideas	22/09/2018

1. Pranav,Dharma, have been selected for semi Finals for their project on “VISION”India’s premier innovation and design contest, the India Innovation Challenge Design Contest (IICDC) organized by Texas Instruments, in association with Department of Science and Technology (DST) held at IIM,Bengaluru on 27/5/19.

2. Saurav Karthikeyan, Gagana J and Krithika Sharma have won Best project award for the project “Smart Lid: Food spoilage detection system “ in IEEE Project expo-2019 conducted at GSSSIETW, Mysuru

3. Rithika Rose Thomas, Suhas Reddy, Reethu, Goutham , have Won Second prize for the Project “ Biotic Phone Charger” in “Anveshana”, an Innovative Idea Contest conducted at Innovation Center, BMSIT&M,Bengaluru

4. Vivek Herle, has Won Third prize for the Project “Eco Friendly Hybrid Smart cycle for Green Campus” in “Anveshana”, an Innovative Idea Contest conducted at Innovation Center,BMSIT&M,Bengaluru

5. Saurav Karthikeyan has won 2nd prize for Interdisciplinary project “Smart Lid: Food spoilage detection system “in KSTA project exhibition conducted at SVCE, Bengaluru on 13th March 2019.

6. Pranav Raikote C, Soujanya Joshi have won Second Place in Project Business Innovative Ideas-Code Igniter 2018” held at GSSSIETW, Mysuru.

7. Raghav K K and Sudha M have won 4th place for “Air Conditioner Using E-Waste Sristhi Innovation Exchange -2018, (A State Level Project Competition held at DSCE, Bengaluru.

8. PSS Pavan, Narahari S Woodi, Biplav Neh final year students have won Third prize and Rs 10000/- for their project work titled “Cognitive IOT system” for Visually impaired” in TELECOMBAT – A National level Project contest held at BMSCE, Bengaluru in June 2018.

Extra-Curricular Events:

Sl No	Name of the Student	Event	Award	Year
2019-20				
1	Sudarshan Potdar	Karnataka State Rifle Association, Karnataka	Bronze Medal in 10M Rifle	04.08. 2019
2	Manohar D J	VTU Interzone JUDO competition held at SJCIT FROM	Silver medal in 81 kg Inter collegiate, single Zone	6-9-2019 to 7-9-2019

Details:

1. **MISS DIVA Miss Universe India 2018:** Ms. Priya Rauniyar was the Winner of YAMAHA fascino MISS DIVA Miss Universe India 2018.
