## UV BEATBOXING CHAMPIONSHIP

#### About the event:

The event had 4 participants and there was a crowd of approximately 400 people. The event started off with the judges performing to pull in the crowd. Once the crowd started to form, we started the event. The event started with a small introduction to the judges and a bouquet of

flowers were given to the judges and the contestants were introduced to the judges and the crowd. First round was a 1-minute performance elimination round and all the participants were on the same level and had received the same points and they were all moved to the second round. After the first round we had a rapper from a different college who wanted to perform for the crowd and had used the crowd to give him some words so that he could make a rap out of it and it was a spontaneous and an unexpected act. The participants, judges and the crowd enjoyed his performance and we moved to the second round after his performance. second round was a 1 V 1 battle and the 4 contestants battle for 3 rounds of 1 minute each and then then the final two contestants battle for the first place. The winners were selected by the judges. After the event was done the crowd asked for the judges to perform for the crowd. The judges performed for 5-10 minutes and later they thanked the college and the volunteers for conducting the event and later the crowd dispersed and the participants and the judges had small talk about their profession and later the winners were given the prize in the form of a cheque.

## GAME OF DRONES

**About the event:**

The Aero Club hosted its first drone racing event during the Utsaha-Vaibhava 2022 the annual fest of B.M.S Institute of Technology. Students from various universities/colleges showed their enthusiasm in taking part in the event. The drone racing event took place on 25th June 2022 in B.M.S. Institute of Technology. The core committee worked hard in setting up hurdles for the race and managing it in an overall efficient way. Along with the race, the event even had participants showcase their talents in piloting! DIY drones made up of PVC pipes were also seen. A few participants successfully finished their debut drone racing in this event. The event saw over 9 registrations. It was a tough competition that took place over 2 rounds where 4 participants from round 1 advanced to round 2 upon finishing a simple obstacle race based on the time of their lap. Apart from students, this event even attracted the principal and dean of the institute! They got to experience FPV (First Person View)- where they could see what the drone sees. They dropped by and encouraged the participants and were impressed from the performance of the pilots. After an exciting race and a stunning performance from everyone, the results were as follows: The 1st

place was bagged by Dheeraj J of RVCE who won a cash price of Rs.5,000/- and finished the race just 12 seconds faster than the runner-up Prasanna M G of NMIT who won a cash prize of Rs.2.500/- The event ended with flying the drones across the college to make it memorable.

## Slam Poetry

### About the event:

Slam poetry is a perfect mirror to one's creativity as well as confidence. To celebrate such impeccable talents in and around our college, a slam poetry competition was organised in our college as a part of our annual techno-cultural fest, **Utsaha Vaibhava -2022**. It was conducted as a part of several other events from our college's literary club. The event which began around 02:00 PM lasted till 04:00 PM. **Dr. Rakesh** and **Prof. Nagaraj D C** were invited as judges. The honourable judges had some really nice things to say post the event. Being avid readers themselves, they both shared their views on poetry and encouraged everyone to come ahead and take part in such events. Overall, having received immense support from the two volunteers **Divyashree S** and **Kavana R Gopal**, handling the event was an extremely pleasant experience for me.

Post the event, the winners were rewarded with cash prizes and certificates.
