CIRCULAR

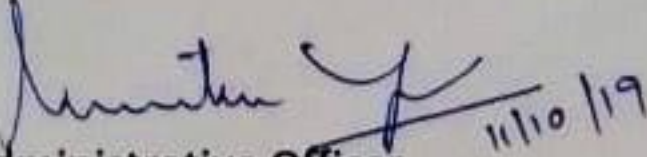

Sub: Issue of Temporary ID Card's.

Regular ID Cards are issued to the new students after obtaining their USN from the University. This normally takes a month or two as the VTU approves the admission formalities and issues the USN thereafter.

A few students of 1st year B.E have requested for their ID cards for commuting to the college using Bus passes issued by the BMTC.

Therefore such students who require temporary ID cards for the purpose of using in BMTC Buses may approach the Librarian and submit their request in the prescribed format with their stamp size photos. The last date of submission of request for temporary ID cards is 16th October 2019.

This provision is made for those students who commute using BMTC buses only.
