

## CO-curricular activities

May 2017

### **OPEN DAY (Project Exhibition):**

The Department of Electrical and Electronics Engineering organised the OPEN DAY on 16<sup>th</sup> May, 2017. In this event, the exhibition and evaluation of Projects carried out by the students of the Department was organised. The 2<sup>nd</sup>, 4<sup>th</sup> and 6<sup>th</sup> semester students carried out projects under the “Project Based Learning” (PBL), which is a learning method. In this method, the concepts learnt in their theory classes were applied in creating some simple working models. There were around 70 such projects which were displayed.

The projects of the final year students were also exhibited. Mr. M.V.KUMAR DAS, Consultant from M/s. Southernventure Consulting Pvt Ltd was invited as a judge for the event. The students benefited by the interaction with the judge and also among their peer group during the event.
