REPORT ON COCURRICULAR ACTIVITY HELD ON 16TH FEBRUARY, 2017(FOR A & B SECTIONS)

A co-curricular activity is conducted for the students of II ECE(A Sec) and II CSE(B Sec) on 16th February, 2017 from 2.40 to 4.15 at ISE seminar Hall, BSN Block. These students witnessed for a battle of brains and knowledge.

The speakers Sajjan Singh and Rahul , students of 6th semester EEE conducted various activities for the students.

The session started with the welcoming of the speakers, staff and students.

The first half of the session was engaged by Rahul, in which he taught about Vedic mathematics. In his talk he covered multiplication of two digit numbers, multiplication of numbers near to 10,100, 1000, calculation of percentage of one number w.r.t. other, finding square root of 2 digit numbers, 4 digit numbers, multiplication of decimals.

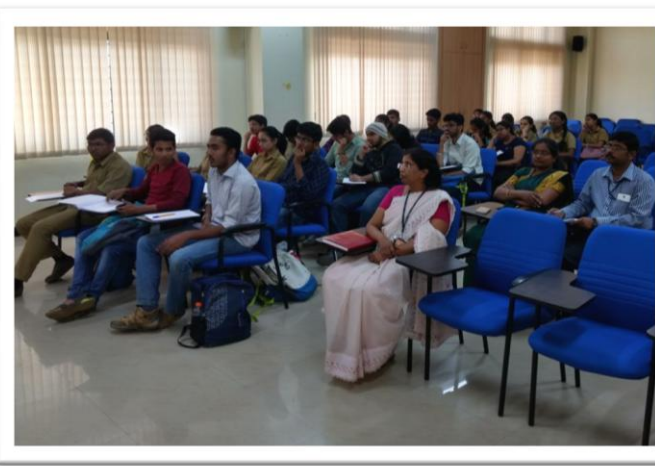

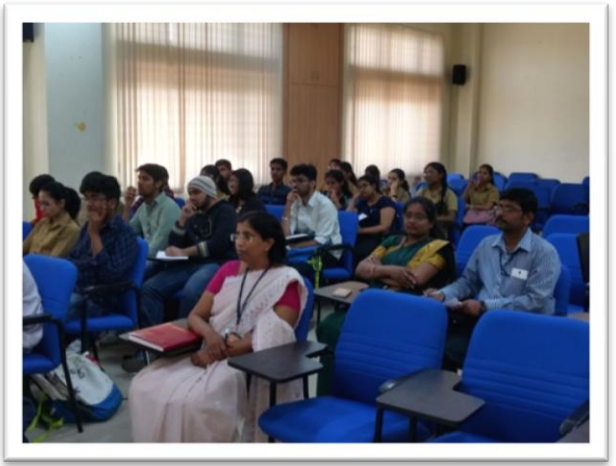

The second session was handled by Sajjan, in his session he taught on adding of powers 2 in simple way, sum of powers of the numbers using formulas, riddles, multiplication of four digit numbers, five digit numbers, six digit numbers, puzzles, exercises, Making an IX to an even number by writing S before IX ,it becomes SIX, making 101010 to 950 with one stroke by 10TO10, making ,62-63=1 ,factorials, How to study, how to learn, why to study maths, about placements.

Education is the most powerful weapon that can be used to change the world. and students have that power.

Both the speakers not only explained various concepts of vedic mathematics and problem analysis in mathematics also give problems to students and make them to solve. Even students also shown lot of interest in solving the problem.
