

# Project Based Learning

**Project Based Learning (PBL)**-is a student-centered pedagogy that involves a dynamic classroom approach in which it is believed that students acquire a deeper knowledge through active exploration of real-world challenges and problems. Students learn about a subject by working for an extended period of time to investigate and respond to a complex question, challenge, or problem. It is a style of **active learning and inquiry-based learning**.

## Advantages of Problem-Based Learning

1. Development of Long-Term Knowledge Retention.
2. Use of Diverse Instruction Types.
3. Continuous Engagement.
4. Development of Transferable Skills.
5. Improvement of Teamwork and Interpersonal Skills.
