

Alumni Interaction

Department of Telecommunication Engineering had organized an Alumni Interaction on 4th November 2017 by the department Alumni Coordinator Mr. Siddiq Iqbal.

Dr. C S Mala, HOD welcomed all the staff members and Alumni for the meeting in TE Board room at 12.30pm. The alumni's Praveen Chikke Gowda, SLK Software and Mr.Akash Malikood, Cisco were invited for the interaction.

During the interaction the following points were discussed,

- Projects to be linked to Alumni
- We have identified three alumni members who have agreed to be a part of team to help with projects
- Interaction will be via mail and further visiting campus to help in progress of projects
- Conduct one day programme on networking basics
- Have identified two alumni who will assist in conduction of programme.
- One day workshop will be conducted in Feb-2017

Alumni Interaction along with HOD, Faculty of TE on 04/11/2017 at 12:30 pm in the Department Board Room
