DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

Faculty Development Program on Research Methodology

from 23rd January to 28th January, 2017

The Department of Electrical and Electronics Engineering organised a Five Day Faculty Development Program on “Research Methodology” from 23rd January to 28th January, 2017 at BMS Institute of Technology and Management. The FDP provided opportunities to faculty members, research scholars and post graduate students to enrich their skills towards research. The FDP was well received by the research students at VTU who were given an eye opener by eight eminent resource persons on the Research Methodology. The Program also stressed to develop the knowledge of Rstudio software for overview of Analytics, Data Science, Statistics and Application. The FDP saw an attendance of 53 participants.
