Activity Report

Activity Title	QUIZ
Title	DC MOTOR
Motivation	The objective of every quiz competition is to encourage students to look beyond their textual knowledge and establish a relationship between theory and application of the learnt concepts.
Gaps identified	PO9: Individual and team work: Function effectively as an individual member or leader in diverse teams, and in multidisciplinary settings.
Intended Students	4 th Sem
Prepared by	Manjunatha Babu P
Date	07-03-18

Executive Summary

Quiz competitions help the teaching faculty to assess the student's performance and also help in getting feedback about teaching methods, student's knowledge and help us to improve our teaching. Thus the ultimate goal of promoting self-learning could be achieved. Quiz competition is a wonderful academic activity for learning. It provides an excellent opportunity and platform to students and faculty for intersecting with each other, share knowledge and remains updated with advances.

Activity Outcome

AO1	Communicate effectively with the peer group and Function as a member effectively as an individual in a team to accomplish a common goal.
PSO2:	Analyze and design electrical machines.

AOs, POs and PSO Mapping:

AOs/POs/PSO	PO9: Individual and team work:	PSO2
AO1	2	2

<i>Grade-1</i>	<i>more than 50% of students scores 60% of marks</i>
<i>Grade-2</i>	<i>more than 60% of students scores 60% of marks</i>
<i>Grade-3</i>	<i>more than 70% of students scores 60% of marks</i>

Number of Students attending the activity: 62

Number of students scoring above 60%: 40

Percentage of students scoring above 60% of marks: 64%
